WWW.FAIRENTRY.COM

How to do Pre-Entries and Entries using Fair Entry Online

ENROLLMENT DATES-JUNE 1-JULY 7, 2023

1. Go to www.fairentry.com.
2. Select "Find Your Fair" at the top center of the page.
3. Type in "Morris County Fair" in the left hand "search by keyword" box. Hit the "search" button.
4. On the next page after searching, "2023 Morris County Fair" should appear on the right hand side. Select the wording with the arrow.
5. Select the "Exhibitors" tab at the top of the page.
6. Find your name and select "view."
7. On the right hand side of the page select the button that says "add an entry."
8. Find the project you want to pre-enter for. Use the green button that says "select."
9. Continue to navigate through Fair Entry until all required entries are completed.
- 10. If you completed your pre-entries correctly, YOU WILL receive an EMAIL confirmation to the email associated with your 4-H Online account.**
- 11. You will no longer be able to pre-enter on REQUIRED entries after midnight on July 7TH, 2023.**
12. If you have ANY QUESTIONS OR CONCERNS, please contact the fair secretary, Laci Thibodeaux, Shandi Andres or Abby Gettinger.

- ALL SHOWMANSHIP ENTRIES

NOTICE

Effective in 2019, 4-H members will receive a card following the premium sale identifying their animal and buyer. Card must be signed by livestock buyer at the time of Thank You Note delivery (not at the livestock sale, but at a later date). Card must be returned by 4-Her within 30 days to the Extension Office to receive premium money.

If you have any questions, please contact the extension office!
620-767-5136

Please note that once ALL funds have been made available, checks will be written. It is not uncommon for money to not be released until 30-45 days after the Thank You Notes are due. All sponsorship needs to be collected to be able to write checks!

GENERAL RULES

1. ELIGIBILITY: All 4-H and FFA club members enrolled in club work in Morris County will be eligible to exhibit and participate in the program. 4-H members must have been enrolled before May 1 of current year and have attended in person six or more 4-H club meetings between October 1 and July 31 (one over half) to be eligible to receive ribbon premium money or to participate in any sale at the fair. FFA members must attend one over half meetings during the previous school year.
2. New members must attend in person one over half of the meetings from their enrollment date to the fair or have physically moved to Morris County with a letter of active participation from their previous county to be eligible to sell livestock in the premium sale. Only Kansas 4-H members who were not yet 19 years of age before January 1 of the current year are eligible to compete.
3. FFA members must be due paying members and actively involved in their FFA Chapter. FFA members who have graduated from high school and paid their membership dues for the current year are eligible to exhibit if they are not yet 19 years of age before January 1 of the current year.
4. **For the care and well being of your projects, animals should be cared for as well or better if they were at home. They are your responsibility!**
5. All exhibits must be the handiwork of the exhibitor where skill is required, the grower where agricultural exhibits are shown, or the owner and feeder where livestock is involved. Exhibitors will be permitted to exhibit items made at school. All 4-H/FFA requirements must be met and project work completed in the current year. Each animal is only allowed one exhibitor per class.
6. Club members will be allowed to exhibit only in those phases of projects in which they are enrolled. Any exhibitor may enter as many entries in any one phase as they wish. **All copyright laws will be strictly enforced and labels must be attached to any item requiring documentation.**
7. All livestock must be properly tagged with the official 4-H ear tag. The 4-H tag belongs in the animals LEFT EAR. This is generally done at the county weigh-in or by an Extension Agent prior to weigh-in. If your animal has lost its 4-H ear tag it must be replaced prior to the fair.
8. Individuals showing in the Sheep and Meat Goat projects must have all animals tagged with the official USDA premise ID tags to determine the flock of origin.
9. Livestock being exhibited at the fair may be inspected by a veterinarian at the discretion of the Fair Board.
10. All dairy goats will be tagged with a USDA premise ID tag to determine flock of origin OR have a registered tattoo ID with a recognized organization (i.e.-ADGA).
11. All livestock exhibitors will be provided with an exhibitor number that MUST be worn on the back of the shirt whenever the exhibitor is in the show ring.
12. The Fair Association reserves the right to withhold ribbon premiums in every case where compliance with regulations appears to have been violated or that fraud or deception has been practiced or attempted. The Board of Directors reserves the sole and absolute right to determine arbitrarily all matters and differences. If rules are not followed, ribbon premiums will be withheld.

13. All judges' decisions are final. Unsportsmanlike conduct toward the judge either verbal or physical, or any other abusive action, will result in relinquishment of premiums and ribbons and be barred from exhibiting at the Morris County Fair the following year. THIS RULE SHALL APPLY TO EXHIBITORS AND ALL MEMBERS OF EXHIBITOR'S FAMILY.

14. Abusive and/or neglectful treatment of livestock as determined by the Morris County Fair Board shall not be tolerated at the Morris County Fair and may result in the garnishment of premiums, ribbons and the exhibitor being barred from exhibiting at the Morris County Fair the following year.

** If abusive and/or neglectful treatment is observed, please see the **superintendent** of that animal to address the issue. If it is necessary to further address the issue, please find a **fair board member**. **

15. All livestock exhibitors must have their area cleaned on the day following the livestock auction, or ribbon premiums will be withheld.

16. This fair book supersedes all other rules. Classes offered in the county fair, however, may or may not have a corresponding class available at the state level.

17. No animals will be allowed in the Community Building at any time with the exception of cats, dogs and hand pets during their respective shows or service animals.

18. The fairgrounds will be closed from midnight to 5:00 a.m. each night of the fair.

19. All 4-Her's will be provided a 4-Her fair t-shirt. 4-Her's showing livestock will be required to wear the 4-H t-shirt when showing, with the exception of horse, dairy cattle, and dairy goats, rabbits, and dog showmanship. Non-livestock 4-Her's are encouraged to wear the fair shirt when presenting their projects. This shirt is provided through sponsorship. Additional shirts will have to be purchased by the 4-Her's family.

COPYRIGHT

Copyright Laws: Exhibitors should learn the guidelines and exercise caution when using copyrighted materials whenever possible by originating their own work. Exhibitors should use with caution a copyrighted and/or trademarked product or service (a brand name, label or product). A copyright and trademark are legal methods used by writers, artists, corporations and others to protect their original work. Protected items may range from books to music, logos to computer graphics. Copyrighted and/or trademarked materials used in displays, demonstrations, posters or other activities will be disqualified if the exhibitor does not request permission to use the copyrighted and/or trademarked materials and will not be displayed or receive ribbons. The use and inclusion of specific brand names for educational purposes does not imply endorsement or refusal by the Department of 4-H Youth Development, Kansas State University Agriculture Experiment Station and Cooperative Extension Service or the State of Kansas.

LIVESTOCK PREMIUM SALE RULES

1. The Livestock Sale will begin at 7:30 p.m., Monday July 31st.
2. Animals will be sold in the following order: **Beef, Sheep, Goats, and Hogs.**
3. All "Intent to Sell" cards **MUST** be turned in to Fair Secretary **1 hour after the conclusion of the Sheep & Meat Goat Show on Sunday evening.**
4. Minimum weights to be eligible for the sale will be 1,000 lbs for steers/heifers, 230 lbs for hogs, 90 lbs for lambs and 40 lbs for goats. All species under county weight limit will be ineligible for the Grand Drive and Premium Auction Sale.
5. The livestock in the premium sale will be numbered by 2:00 p.m., Monday, July 31st. They will be numbered according to the placing they received in the fair and will be sold in that order. The Grand Champion and Reserve Grand Champion of each species will sell first.
6. **All market livestock will be weighed once at the time of check-in the first day of the fair by the superintendent in charge and will be shown and sold on that weight.**
7. **IF a livestock animal weighs under the minimum weight required, between 5-8 p.m. of check in on July 28th, that animal will be allowed to have ONE more weigh in BEFORE 8 p.m. ,which is the closing time of weigh in. If the livestock animal still does not make minimum weight for their species, it will be shown in the underweight class, if applicable. It will not be eligible for the premium sale. DO NOT ABUSE THIS PRIVILEGE. If an exhibitor is caught adding weight in an inappropriate manner, the 4-Her will be disqualified from showing.**
8. It will be a competitive premium only sale. Bidding will be for actual dollars of premium to the seller. Checks will be made payable to the Morris County Fair Association and a personal check will be written to each seller from that organization. Settlement or plans to settle will be made at the time of the sale.
9. Any person or business contributing money to an individual 4-Her at the sale, after the fall of the gavel, will not be listed as a contributor.
10. 4-H members are limited to the sale of 2 animals per person. All animals listed for sale must be shown. If the animal is listed for sale, the club member will be expected to sell. The club member has the option of no sale before leaving the ring.
11. No sale animals will be loaded out during the livestock sale.
12. All market animals must have the project terminated. The animal may not be shown elsewhere after the Morris County Fair. If the project is not sent directly to slaughter, the 4-H ear tag must remain in the livestock's ear. It is unlawful to remove the tag. Market animals may not return in future years in breeding classes.
13. To assist with the cost of the auction, \$10 will be withheld from each animal sold in the livestock auction.

FOOD AUCTION RULES

1. It is the option of the exhibitor to participate in the Foods Auction.
2. To participate in the Food Auction, the 4-H member must have at **least 2 items** in the food box.
3. Boxes and containers will not be judged on decorations.
4. Exhibitors must inform superintendents of their plans to participate in the Foods Auction at the time of foods check-in.
5. All food must be packaged as stated in special rules for foods judging.
6. 4-Hers must bring additional food items for the food auction box from the same recipes that they plan to exhibit at the fair. For example, cookies should be packaged by the dozen. Cupcakes, muffins, bar cookies, biscuits, breadsticks, or yeast rolls should be placed in packages of six. Single large items such as quick breads, cakes, breads, or pies will be judged and then returned to the food auction box. Popcorn or nutritious snacks should be packaged in one gallon zipper-top plastic bag. Food gift packages will be sold as was judged. **If not sold**, it must remain on display throughout the fair.
7. Please include a list of food items that are in the box.
8. FOR ALL AGE GROUPS: Food auction boxes should contain items made from the same recipes that were exhibited at the fair. See above for packaging requirements.
9. 4-Her must have their box/container in place by 9:30 a.m. Saturday, July 29th.
10. The required recipes will be left with the food on exhibit. The 4-Her may choose to provide another recipe card for the food auction.
11. The judge reserves the right to determine if the 4-Her's food product will be sold based on food safety standards.
12. Division Superintendent must have accepted all exhibits and items by 9:30 AM. Boxes should be ring-ready at this time, with the exception of items being judged from the box.
13. As of 2019, \$5 will be withheld from premium checks for each food auction item to assist with the cost of the auction.
14. A thank you note must be included in the box at CHECK-IN for the box to be included in the Foods Auction line-up.

4-HER'S ENTRIES & RECORDS

1. Exhibitor must complete their fair entries properly.
2. Any exhibitor may enter as many livestock exhibits in any one class as they wish from the number he is carrying as a project in that phase.
3. Notebooks must be complete to date at the time of the Fair and must accompany exhibits when required.
4. **PRE-ENTRY IS REQUIRED on ALL 4-H clothing, performing arts, talent showcase, ALL animal exhibits, and ALL LIVESTOCK SHOWMANSHIP entries.**
5. **All pre-entries must be SUBMITTED ONLINE AT FAIRENTRY.COM by MIDNIGHT on July 7th. THERE WILL BE NO EXCEPTIONS FOR LATE ENTRIES. YOU ARE RESPONSIBLE FOR VERIFYING YOUR ENTRIES AND SUBMITTING THEM. IF YOU NEED ASSISTANCE, PLEASE CONTACT THE FAIR SECRETARY OR EXTENSION OFFICE!**
6. Additional paper forms are required for the following projects to the Extension Office by July 7th at 5 p.m. NO EXCEPTIONS!
 - Performing Arts
 - Clothing
 - Fashion Revue
 - Morris County Born Nomination Forms
7. All entries that do not require pre-entry, may be entered in www.fairentry.com when the system is open. All entries must be submitted by Wednesday, July 26th at midnight so that entry cards may be printed. No hand written entry cards will be used for 4-H exhibits.

DISPLAYING EXHIBITS

1. All NON-PERISHABLE exhibits must be entered by 8 p.m. Friday.
2. All PERISHABLE exhibits must be entered by 9:30 a.m. Saturday.
3. It is the exhibitor's responsibility to see that the superintendent has properly entered his/her exhibits.
4. All exhibits, supplies, feeds and other articles must be well marked for identification or labeled with regulation labels when required.
5. Club members exhibiting livestock should accompany their exhibits and provide their own equipment for feeding and caring for their exhibits properly. They must be on hand to exhibit their entries. In case the exhibitor has two entries in the same class, he or she may have another Morris County club member assist with showing one entry with the approval of the Superintendent of that division. Animals being shown in the market classes are not eligible to show in the breeding classes and vice versa. 4-H and FFA exhibits will be shown together.
6. Livestock may be fitted *ONLY* by the 4-H member, club leader, immediate family member, project leader or other Morris County 4-H member.
7. Absolutely no straw will be allowed in the barns. Wood chips will be allowed in the open pavilion and lean-to. You are responsible for your own bedding.

RELEASE OF EXHIBITS

All INDOOR exhibits will be **released at 8:00 p.m., Monday, July 31st** and must be claimed at once after they are released. Those in charge will assume no responsibility for exhibits or property left on the Fairgrounds after the close of the Fair. Exhibits should be checked out from the Division Superintendents. Please make arrangements for your items to be picked up if you are unable to do so at the scheduled time. **If exhibits are taken early, the fair board reserves the right to withhold ALL premium money from the exhibitor. If you see another individual leaving before the 8 p.m. time, do not assume that it was approved. Find a fair board member or extension agent!**

THE LIVESTOCK WILL BE LOADED OUT AFTER THE CONCLUSION OF THE LIVESTOCK AUCTION!

LIVESTOCK JUDGING CONTEST

The Livestock Judging Contest will be divided into Senior and Junior age groups. Sign-up will be provided the morning of the contest. Seniors will give reasons and Juniors will answer questions regarding the previously judged classes. There will also be an adult class and a pee wee class.

Monday, July 31, at 12 p.m.

AWARDS

1. The rating system of awards is used for all exhibits at this Fair. The exhibits in each class will be placed by the judges by a purple, blue, red or white ribbon with the exception of open class where a 1st, 2nd and 3rd place will be given in each class. No check will be written for premiums under \$1.
2. Ribbons will be placed on 4-H/FFA exhibits when judged. Prize money will be distributed later to the members exhibiting.
3. The judges will make the awarding of Champion and Reserve Champion. If they feel there is no exhibit of championship quality, an award will not be given.
4. The Grand Champion and Reserve Grand Champion award will be given to the best exhibit in each project, if applicable. The Grand Champion and Reserve Grand Champion ribbon are not dependent on the type of ribbon given.

PREMIUM RIBBON AMOUNTS

4-H/FFA RIBBON AMOUNTS

PURPLE: Non-Livestock; \$3.00	Livestock: \$5.00
BLUE: Non-Livestock: \$2.50	Livestock: \$4.50
RED: Non-Livestock: \$2.00	Livestock: \$4.00
WHITE: Non-Livestock: \$1.50	Livestock: \$3.50

OPEN CLASS RIBBON AMOUNTS

1ST PLACE (BLUE)-	\$3.00
2ND PLACE (RED)-	\$2.00
3RD PLACE (WHITE)-	\$1.00

WHAT DOES A RIBBON MEAN?

In 4-H, we use the “Danish” system for ribbon placing. This means that exhibits are not judged “against” each other but rather they are evaluated according to a standard.

A purple ribbon means...superior. It is outstanding on all standards.

A blue ribbon means...above average. It has exceeded minimum standards.

A red ribbon means...average. It meets the minimum standards. It shows honest effort has been made. There is room for improvement.

A white ribbon means...that for one reason or another, it did not meet the minimum standards. A white ribbon does not mean that the exhibit isn't worthwhile.

*Winning is NOT the most important thing that happens at this event...
Focus on positive efforts, not outcomes.*

Thank You Note Expectations and Policies

A great deal of time, energy, and money contribute to the success of the fair and support of the Morris County 4-H Program and 4-Her's. This year, in an effort to properly thank our sponsors and buyers, specific thank you policies are being put in place.

Sponsors of Awards

A blank thank you note and envelope will be attached with all awards and trophies. They will be specially addressed and marked for the award which has been sponsored; the 4-Her is expected to write his/her thank you note on the stationary provided and then turn it in to either the box at the Thank You Note Booth during the Fair or to the Extension office in the 30 days following the fair. **DO NOT** mail them directly to the sponsor. Names will be checked off of the list to assure that **ALL** sponsors receive their thank you note. All Thank You notes are due to the Extension Office by **August 31, 2023 at 5 PM**. If the sponsor thank you notes are not turned in to the Extension office, the 4-Her forfeits their ribbon premium funds. If the thank you is lost, check with Shandi or Laci for sponsor information. Blank Thank You notes will be available at the Thank You Note Booth. A list of ideas to include in your thank you:

- Sincerely thank the sponsor for the award you received and their generosity
- Share your favorite part of the project this year
- Share one or two interesting things you learned this year

Foods Auction

A thank you note must be included with your foods box at the check-in table by 9:30 AM on Saturday. Boxes without a thank you note will not be sold. A list of ideas to include in your thank you:

- Sincerely thank the buyer for the purchase of your foods box
- Share one or two interesting things you learned this year
- What makes your recipes or foods in the box special?
- Invite them to come back next year

Livestock Premium Auction

Following the sale of your market animal, you will receive a buyer's ribbon and a colored postcard labeled '**Morris County Fair Livestock Sale Thank You Verification**'.

The buyer's ribbon can either be directly handed to the buyer that night with a verbal "thank you" or can be delivered at a later date with your hand-written thank you.

The colored postcard labeled '**Morris County Fair Livestock Sale Thank You Verification**' will have yours and your buyer's information on it. When a thank you has been hand-delivered to the buyer within the 30 days following the sale, ask the buyer to sign, and the 4-Her should return the postcard to the Extension Office. This should **NOT** be signed by the buyer the night of the Premium Auction. If you would like to deliver a token of appreciation like cookies, goodies, or a small gift this is the time to do so. Please do not deliver goodies to the buyers the night of the auction. Thank you verification forms are due to the Extension Office by **August 31, 2023 at 5 PM** so checks can be processed when funds are made available. If the Thank You verification is not turned in to the Extension office by the deadline, the 4-Her forfeits his/her livestock premium funds.

When you write your thank you note, be sincere and express your appreciation. A list of possible ideas to include in your thank you note are:

- Sincerely thank buyer for purchase of your animal
- You might share specific plans you have for use of the sale proceeds
 - Purchase of next year's project animal
 - Saving for education after high school
 - Enrolling in and exploring other 4-H project offerings
- Share one or two interesting things you learned about this year
- Invite them to participate in future Stock Sales
 - Even if you are graduating, other members could benefit from their support

Thank You Note Booth

The Thank You Note Booth will be set up in the Concession Stand area of the Fair building. Blank thank you notes will be available. Please take the time to write a thank you to those who have supported you during this 4-H year. There will be a box to place sponsor thank you notes in.

All thank you notes should be turned in to the Extension Office by August 31, 2023 at 5 PM.

Premium checks will be written once Laci has received notification that funds have been released to write checks.

A sample of the Thank You Verification is printed below:

July 31, 2023, Morris County Fair Livestock Sale Thank You Verification

4-Her's Name _____

Species _____ Tag # _____

Buyer _____

Premium Amount _____

Buyers – When the 4-Her above has hand delivered a Thank You following the Fair, August 1st or after, please sign this card so they can return and receive their premium money.

Buyer's signature _____

Date _____

Due to the Extension Office by **August 31, 2023 at 5 PM** so checks can be processed when funds are made available.

Please contact an Extension Agent at (620) 767-5136 if you have questions.

4-H DIVISION

4-H STEM—AG MECHANICS

Superintendent: Taylor Green

Special Rules

1. 4-H members must be currently enrolled in the Kansas 4-H STEM—Ag Mechanics (Welding) project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year. For State Fair, counties or districts should select only top blue or purple ribbon Ag Mechanics exhibits which meet State Fair guidelines.
3. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
4. Exhibitors are responsible for providing sufficient braking or “chocks” for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel “chocking” mechanism, the two individual blocks should be connected together as a pair of chocks so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
5. For trailer exhibits, the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the superintendent and labeled with the exhibitor’s name, county, and phone number.
6. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total dimensions and weight of the exhibit as described previously. Exhibit display boards should have a portable and moveable base and examples should be firmly affixed to the board to ensure all parts of the display stay together. No exhibits may be staked to the ground for display.
7. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
8. Exhibits may not be bound, affixed, or attached to the fair buildings, except by the superintendent, fair staff, or fair extension staff.
9. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents, one ribbon placing will be deducted.
10. Repair projects having adequate original finish need not be repainted.
11. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam “pool noodles” and multiple layers of cardboard are acceptable.
12. Display cases for small exhibits, such as knives, are acceptable, and must be easily opened so the item can be removed and examined as part of judging.
13. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
14. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc) the fuel tank and lines should be drained and allowed to dry to avoid spills and potential fires.
15. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
16. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s exhibit, at the judge’s discretion, will receive a deduction in ribbon placement or a participation ribbon.
17. The exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the display.
18. Each exhibit, except for display boards, must include an Ag Mechanics information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
19. Each exhibitor is required to complete the “4-H STEM Ag Mechanics Exhibit Information Form” for each exhibit, except for display boards, which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10”x13” manila envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year.
 - A. For the county fair, the video element is not required due to consultation judging being used.

20. Each exhibit information packet should include the following items:
 - A. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost.
 - B. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
 - C. If appropriate, schematics or working drawings relating to the creation or repair, although this is not required for display boards
 - D. If appropriate, operating instructions.
21. Additionally, exhibitors may create an optional video (not required) about their project showing its operation and the work they have done. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive. Adult guardians must complete the video release included with the exhibit form.

Introductory– Level 1 Classes (about 1-3 years of experience)

This level is designed for youth with little to no exposure in the project area so that they can gain understanding of basic principles and methods in the given area.

- 5550 Welding display board– a 3 foot by 3 foot display board with different pieces of metal attached illustrating different types of welds, each weld being labeled
- 5551 Level 1 Welding Ag Repair– repair of ag equipment with welding
- 5552 Level 1 Welding Ag Fabrication– creation of new ag equipment with welding
- 5553 Level 1 Welding General Repair– repair of non-ag equipment with welding.
- 5554 Level 1 Welding General Fabrication– creation of non-ag equipment with welding
- 5555 Level 1 Welding Artistic Fabrication–creation of artistic or interpretative pieces with welding
- 5556 Level 1 Brazing Repair
- 5557 Level 1 Brazing Fabrication
- 5558 Smithing Display Board– a 3 foot by 3 foot display board with different pieces of forged metal attached illustrating different forms, each form being labeled
- 5559 Level 1 Smithing– a design forged with at least one formed element (twists or spirals for example)

Experienced– Level 2 Classes (about 4-6 years of experience)

This level is designed for youth with some experience in the project area allowing them to expand on common principles and methods in the given area.

- 5560 Level 2 Welding Ag Repair– repair of ag equipment with welding
- 5561 Level 2 Welding Ag Fabrication– creation of new ag equipment with welding
- 5562 Level 2 Welding General Repair– repair of non-ag equipment with welding
- 5563 Level 2 Welding General Fabrication– creation of non-ag equipment with welding
- 5564 Level 2 Welding Artistic Fabrication– creation of artistic or interpretive pieces with welding.
- 5565 Level 2 Brazing Repair
- 5566 Level 2 Brazing Fabrication
- 5567 Level 2 Smithing– a design forged with at least two different formed elements (twists and spirals for example)

Advanced– Level 3 Classes (about 7-9 years of experience)

This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.

- 5570 Level 3 Welding Ag Repair– repair of ag equipment with welding
- 5571 Level 3 Welding Ag Fabrication– creation of new ag equipment with welding
- 5572 Level 3 Welding General Repair– repair of non-ag equipment with welding
- 5573 Level 3 Welding General Fabrication– creation of non-ag equipment with welding
- 5574 Level 3 Welding Artistic Fabrication– creation of artistic or interpretive pieces with welding.
- 5575 Level 3 Brazing Repair
- 5576 Level 3 Brazing Fabrication
- 5577 Level 3 Smithing– a design forged with at least three different formed elements (twists, spirals and bulbs for example)

Master– Level 4 Classes (10 or more years of experience)

This level is designed for youth with substantial experience in the project area allowing them to master advanced techniques in the given area.

- 5580 Level 4 Welding Ag Repair– repair of ag equipment with welding
- 5581 Level 4 Welding Ag Fabrication– creation of new ag equipment with welding
- 5582 Level 4 Welding General Repair– repair of non-ag equipment with welding
- 5583 Level 4 Welding General Fabrication– creation of non-ag equipment with welding
- 5584 Level 4 Welding Artistic Fabrication– creation of artistic or interpretive pieces with welding
- 5585 Level 4 Brazing Repair
- 5586 Level 4 Brazing Fabrication
- 5587 Level 4 Smithing– a design forged with at least four different formed elements (twists, spirals, and bulbs for example)

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion will receive rosettes.

BEEF CATTLE

Superintendent: Clay Dalquest Asst. Superintendent: Clarissa Dalquest
Junior Superintendent: Castyn Andres & Cassidy Dalquest

Special Rules

1. Read GENERAL RULES.
2. Market steers/heifers must be tagged and exhibited with Official Kansas 4-H ear tags in accordance with the county weigh-in date. Ear tag number and ownership must be on file with the County Extension Office.
3. All market steers/heifers must have been calved after January 1 of the previous year.
4. All entries in the market steer/heifer division of this fair must be weighed on scales provided for that purpose the first day of the fair. All animals will be classified by weight regardless of age.
5. No livestock will be allowed on the grass or patio near the Community Building.
6. Entries should be made with the Superintendent of the division when arriving on the Fairgrounds.
7. Only first & second place in separate breed classes are eligible to compete for Breed Champion and Reserve. Breed Champions are eligible to compete for Grand Champion & Reserve Grand Champion of Show.
8. Minimum weight for steers/heifer to be eligible for the sale will be 1,000 lbs.
9. **Pre-Entries must be received by July 7th, MIDNIGHT, using FAIR ENTRY (www.fairentry.com).**
10. To enter the Morris County Born Class in the Market Beef and Breeding Heifer divisions, complete the nomination form and turn in by JULY 7th for pre-entry TO THE EXTENSION OFFICE.
11. Breeding Heifer entries must include tattoo ID on pre-entry forms.
12. All educational exhibits must be present at the time of the judging.
13. Cattle must be displayed in the Beef Cattle Area of the barn between the hours of 9:00 a.m. and 5:00 p.m., unless they are being fitted for show. This requirement is for Beef Herdsmanship judging purposes.
14. Exhibitors are responsible for their own bedding and tie-outs.

Special Rules - Beef Showmanship

1. All exhibitors will be assigned an exhibitor number, which is to be worn on the back of your shirt whenever you are in the show ring.
2. Absolutely no straw or wood chips will be allowed in the barn.
3. The Champion and Reserve Champion Showman in age groups 7-9 years & 10-13 years will show against each other to determine the 2 top qualifiers for the Junior Division Round Robin Showmanship Contest.

Special Rules - Bucket Calf Show Back

1. All calves must have been exhibited at the prior year's county fair and by the same owner.
2. Market steers/heifers must be weighed in at weigh-in, KS 4-H ear tag noted/verified and be designated as 2nd year bucket calf.
3. Breeding heifers must comply with breeding heifer rules and be designated as 2nd year bucket calf.
4. Market steers/heifers and breeding heifers that qualify for the above class may choose to show in the "Bucket Calf Show Back" class or may show in the regular stated class, but may not do both.
5. The Champion from the respective "Bucket Calf Show Back" classes are eligible to compete for the overall Grand Champion (providing the class requirements have been met).

Special Rules - Pen of 3 Market Beef and Breeding Heifers

1. All exhibitors must be currently enrolled in 4-H.
2. Must have 3 showmen and may have 1 attendant.

DIVISION 1- MARKET ANIMALS

Note: At the discretion of the superintendent, the animals in each class may be divided by weight to make two or more classes (entries to be made by breed only). If there are less than 3 entries of a breed, animals will show in AOB class. All class breeds and breaks are at the discretion of the superintendent.

Class:

- 1000 Senior Showmanship 14-18 years old
- 1001 Intermediate Showmanship 10-13 years old
- 1002 Junior Showmanship 7-9 years old
- 1003 Bucket Calf Show Back
- 1004 Angus
- 1005 Hereford

Morris County Born Market Class

This class is open to all Morris County 4-H members, regardless of county of residence, that have a market steer or heifer meeting one of the following criteria:

- Raised from their own herd (born to a cow owned by the 4-H member)
- Purchased from the herd of an immediate family member (see definition below**)
- Purchased from a Morris County Producer

Market Steer or Heifer Information

4-H member's Name: _____

Circle One: Market Steer Market Heifer

4-H Market Tag #: _____

Description of animal: _____

Animal's date of birth: _____

Certification by 4-H Member (check the appropriate blanks):

I certify that the above animal was:

_____ Born to a cow in my herd

_____ Purchased from an immediate family member (see affidavit below)

_____ Purchased from a Morris County Producer (see affidavit below)

I hereby nominate this animal for the Morris County Born Market Beef Class at the Morris County Fair.

4-H Member Signature: _____ Date: _____

Affidavit of Market Beef Originality (to be completed if market steer or heifer was purchased)

Producer's Name: _____

Address: _____

City, State, Zip: _____

I certify that the above market steer or heifer was born to a cow that was owned by me at the time of the calf's birth. I certify that: (check one)

_____ I am an immediate family member of the 4-H member above

**Parent/guardian, grandparent

_____ I am a producer who is currently a resident of Morris County, KS.

Producer Signature: _____ Date _____

***This affidavit must be returned to the Morris County Extension Office
by July 3rd at 5:00 p.m.***

DIVISION 2 - BREEDING HEIFERS

1. Breeding heifers will be shown by breed. Age will determine class.
2. **Animals will enter the ring according to age.**
3. At the discretion of superintendent, if there are less than 3 entries of a breed, animals may be entered into an AOB class.
4. Pre-Entries must be received by July 7th, MIDNIGHT, using FAIR ENTRY (www.fairentry.com).
5. All educational exhibits must be present at the time of the judging.

Class:

- 1000 Angus Heifers
- 1001 Hereford Heifers
- 1002 Simmental Heifers
- 1003 Shorthorn
- 1004 Charolais

BUCKET CALF

Superintendent: Justin Schrader
Jr. Superintendents: Castyn Andres

1. This phase is for 4-Her's ages 7-12 years old.
2. Bucket calves will be tied in a designated bucket calf area.
3. Judging in this phase will be by conference method with points awarded as follows:
50 points - Participants interview in the ring on what he or she has learned about raising and caring for this project. This will include possible questions about the health care of the animal.
50 points - Cleanliness of the animal and presentation of the animal. Each calf should be clean and brushed. Clipping and fitting are not requirements. One of the purposes of this project is to teach young members how to care for and show their animal.
4. All male calves must be castrated.
5. Bucket calves CANNOT be sold at the premium sale. Members may keep animal for breeding heifer, market steer project, sell at sale barn OR by private treaty.
6. **Pre-Entries must be received by July 7th, MIDNIGHT, using FAIR ENTRY (www.fairentry.com).**
7. Those interested in the Bucket Calf Costume Contest will need to pre-enter by JULY 7TH. The Bucket Calf Costume Contest will occur BEFORE the Beef Show. There will be a break taken in between the Bucket Calf Show and the Beef Show to accommodate for the Costume Show. It is also REQUIRED that the 4-Her have a script describing their costume and the meaning behind it. The script should be turned in prior to the bucket calf show.
7. All educational exhibits must be present at the time of the judging.

- 1000 Bucket Calf exhibited by 4-Her, ages 7-9 years old
- 1001 Bucket Calf exhibited by 4-Her, ages 10-12 years old
- 1002 Bucket Calf- Costume Contest, ages 7-12 years old
- 1003 Educational Exhibit Notebook
- 1004 Educational Exhibit- Poster
- 1005 Educational Exhibit- Display

AWARDS: Based on the points indicated above, the participants will be ranked as blue, red or white ribbon winners.

CARCASS CONTEST

Superintendent: Extension Agents

Special Rules

1. Market heifers, steers and swine must be weighed at the official county weigh-in for their respective species, weighed at the County Fair, and tagged and exhibited with the official Kansas 4-H ear tags.
2. Market heifers, steers and swine must be slaughtered and evaluated by the same judge within 48 hours to ensure uniform slaughter and evaluation procedures.
3. Animals for the Carcass Contest need to be designated by **JULY 7th at 5 p.m. online at WWW.FAIRENTRY.COM** to allow the participating locker plant to reserve space. Designate in your pre-entry form with Fair Entry if your animal will be in the carcass contest. The extension office will be responsible for handling the entries for the carcass contest.
4. Animals will go to a designated locker after the fair. The 4-H exhibitor must sell the meat from the animal, with its cutting instructions ready for the locker at delivery. The Fair Board is not responsible for collecting or billing of animals at the locker, only the premium sale money.
5. Awards will be presented at the Carcass Contest Dinner.

1000: Beef Carcass Contest

1001: Swine Carcass Contest

AWARDS: Champions and Reserve Champions will receive an award and a cash award.

CLOTHING AND TEXTILES

CLOTHING CONSTRUCTION

Superintendent: Shilo King Junior Superintendent:

This project will introduce you to a whole new world of options with outfits, clothing, and accessories. The clothing construction phase will teach you the basics like sewing a shirt or putting a zipper in a pair of pants. The advanced units will teach you how to take the design of your choice and customize it for the perfect look, color and fit.

Special Rules

1. See GENERAL RULES.
2. Constructed items may be used before they are exhibited, but if so, they must be laundered or cleaned before being exhibited.
3. Constructed items shall be labeled with a 4-H Clothing label available from the Morris County Extension Office. Sew labels on inside of the garment (back of neck, center back of waistband, or left end of apron band). Label each piece.
4. Since care labels are not always available, NO care label will be required; however, 4-H members should know how to care for fabrics they purchase.
5. Exhibitors may bring up to five constructed items and one educational exhibit to be judged.
6. Must have a purple to qualify for the Kansas State Fair. Can take one (1) constructed piece and 1 education exhibit.
7. For award purposes, junior division ages will be 7-13 years old and senior division ages will be ages 14 years and older.

CONSTRUCTED CLOTHING

Constructed items include: garments, outfits, items for the home such as pillows or curtains, altered clothing or embellished clothing.

Class:

- 3998 7-8 year old - Constructed Item
- 4000 9-11 year old - Constructed Item
- 4002 12-14 year old - Constructed Item
- 4004 15-18 year old - Constructed Item

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion will receive rosettes.

RECYCLED CLOTHING PROJECT

An item made of at least 50% recycled material (recycled means reusing an existing item in a new way). Examples include remaking/redesigning a garment, re-purposing a clothing item for a new use, etc. Must include sewing of some kind. *A 3"x5" index card must accompany entry describing the recycled materials and how they were used in the item.

Class:

- 4006 Recycled Clothing Item

EDUCATIONAL EXHIBIT

Share with others what you learned in this project. Exhibits may be in the form of a poster, notebook or display. No card table displays are allowed. If the exhibit is a poster, it must not be larger than 22"x 28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3'x 4' tri-fold display board. Name and county/district must be clearly marked on educational exhibits. Follow copyright laws as explained in the general rules..

****ALL EDUCATIONAL DISPLAYS MUST BE PRESENT AT JUDGING ON !****

Class:

- 3999 Educational Display prepared by 7-8 year old
- 4001 Educational Display prepared by 9-11 year old
- 4003 Educational Display prepared by 12-14 year old
- 4005 Educational Display prepared by 15-18 year old

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion will receive rosettes.

FASHION REVUE

Superintendent: Shilo King Assistant/ Jr. Superintendent: Brittley King

Special Rules

1. See GENERAL RULES.
2. Participants will compete in three divisions (age as of January 1 of the current year). 4-Hers who are ages 7-9 will participate in the Junior Division, 4-Hers who are ages 10-13 will participate in the Intermediate Division, and 4-Hers who are 14 and older will participate in the Senior Division.
3. Exhibitors may model up to three outfits. However, no more than two purchased outfits may be modeled (only one per class) and no more than two constructed outfits may be modeled. Purchased clothing may be selected by the 4-H'er and constructed clothing must be constructed by the 4-Her.
4. **A fashion revue entry form must be completed and returned to the Extension Office by July 7th at 5 p.m. along with pre-entry using Fair Entry (www.fairyentry.com).**
5. A separate form is required for each entry. Intermediates and Seniors will complete cost per wear forms.
6. Judging will take place at the Community Building.
7. Participants are required to participate in the Public Style Revue.
8. No live animals may accompany participant; exceptions include service animals.
9. Participant may model only what can be worn. Garments cannot be carried. Contestants should use good sense in choosing items that are appropriate to be modeled publicly and at 4-H events.
10. All educational exhibits must be present at the time of the judging.

Special Rules - PURCHASED APPAREL

1. The majority of the outfit must be purchased (not borrowed) and modeled by the 4-Her or made by another individual for the 4-Her if the fabric and pattern were chosen by the 4-H member.
2. Everything which is commonly considered an outer garment must be purchased by the 4-H member or constructed by another person (vest, jacket, dress, skirt, pants, coat, etc.)
3. The Champion & Reserve Champion of the Sr. Boys division and Sr. Girls division will represent Morris County at the State Fair. Exhibitor can only compete at State Fair with 1 outfit.
4. Participants can model one outfit in each of two classes (see #3 above). NO part of an outfit may be used for another class excluding accessories and footwear.

JUNIOR GIRLS DIVISION PURCHASED APPAREL

Class:

- 5000 Casual Apparel for play and sports
- 5001 Casual Apparel for school and community events

CITIZENSHIP

Superintendent: Lorri Kasten
Junior Superintendent: Jacob Kasten

Special Rules:

1. Read GENERAL RULES.
2. Limit each poster exhibit to one 22"x 28" poster.
3. Consultation after judging completed if desired.
4. Not State Fair eligible. There is no class that they can be shown under.

5000--Educational Notebook

5001- Educational Poster

5002- Educational Display

AWARDS: Champions and Reserve Champions will receive rosettes.

CLUB BANNER EXHIBIT

Superintendent: Lorri Kasten
Junior Superintendent: Jacob Kasten

Special Rules

1. NOT STATE FAIR ELIGIBLE
2. A label is to be attached to the front lower left-hand corner (as you face it) of the banner giving the name of the club and county/district. Names of 4-H'ers is optional. Waterproof ink prevents smearing and is recommended for the label. Letters should be a minimum of 2" in height.
3. The club display should avoid using copyrighted materials whenever possible by originating their own work. Copyrighted and/or trademarked materials utilized in banners for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed.
4. Each banner should illustrate a phase of 4-H work, which is being practiced by youth in 4-H, or promote 4-H in general.
5. Banners are a two-dimensional display, depicting one idea. Guidelines are listed below. Three-dimensional objects should NOT be attached to the banner.
6. Banners should be made out of flame-resistant material.
7. Dimensions are to be no less than 12 and no more than 16 square feet with no side less than 3'.
8. Banners must be hung on a rod strong enough to support the banner. On each end of the dowel rod there should be a chain 6" long. On the other end of the 6" chain, attach an "S" hook which will permit the banner to be suspended by the chains on the wire in the Exhibit Building. Banners mounted any other way risk not being displayed due to technical problems.
9. Banners should be made of materials that permit the banner to be folded or rolled without damaging .
10. A Champion and Reserve Champion will be awarded.

Basis for Evaluation:

- 1. **Educational Value** **40%**
 - A. Presents suggestions or striking facts that are simple in form and quickly grasped.
 - B. Shows extent to which 4-H involvement meets a fundamental need.
 - C. Promotes decision and action.
- 2. **Interest and Originality** **20%**
 - A. Presents original, unusual or striking method of exhibition.
 - B. Holds interest of people until they have read or observed essentials of the message.
 - C. Defines clearly one central idea.
- 3. **Appearance** **20%**
 - A. General appearance, artistic, neat and attractive.
 - B. Can be viewed and read (if words are used) at distance up to 20'. Letters should be 2" in height.
- 4. **Quality of Display Materials** **20%**
 - A. Display must be made of materials that will permit the banner to be rolled or folded and displayed repeatedly without damaging the banner.
 - B. Banner must be minimum of 12 and maximum of 16 square feet with no side less than 3'.
 - C. Banners must be hung on a rod, strong enough to support the banner.

Class:

5000 4-H Banner

AWARDS: Grand Champion and Reserve Grand Champion banners will receive rosettes.

DOG

Superintendent: Michelle Poole & Lisa Jarvis
Jr. Superintendents: Avery Lee

Special Rules:

Pre-entry is required by July 7th at MIDNIGHT using Fair Entry (www.fairentry.com).

1. The 4-H Dog Show Immunization Record must be completed for each dog entered at the fair. Proof of up-to-date rabies vaccination (vaccination certificate or health certificate) signed by a graduate, licensed accredited veterinarian must be presented at registration on day of show to be eligible to compete. Current Distemper, Hepatitis, Parvovirus, Parainfluenza, and Bordetella are also required. Recent deworming is strongly recommended.
2. Dogs must be at least 6 months of age at time of show. Please note that for State Fair, dogs must be a minimum of 1 year of age for the agility portion only.
3. Any abuse of dogs on the grounds or in the ring will result in disqualification.
4. No dog in season will be allowed on the grounds.
5. 4-Her and their designated dog **MUST** attend the minimum number of project meetings set by the project leader to participate at the Morris County Dog Show. For the 2023 fair, this is a minimum of 7 project meetings.
6. The dog, for show, must be designated to county project leader by June 1 of the current year. **NO EXCEPTIONS.**
7. It is at the discretion of the county project leader to determine if a dog should not show at the fair for any reason. (i.e.– aggressive temperament, repetitive fouling in the ring, lack of handler control, etc.)
8. A well-fitting collar of leather, chain, or fabric is to be used for Obedience and Rally Obedience; for Agility, a buckle or snap collar or no collar; for Showmanship, a show lead that serves as both collar & lead or a fine link chain collar, a “snake” chain or a fabric slip collar with a narrow, lightweight fabric or leather lead. No spiked, pinch, special training collars, and hanging objects from collars are allowed.
9. Baiting dogs is not allowed during the show.
10. Dogs are not allowed to roam at large on fairgrounds.
11. In the building, dogs must be crated or on lead and attended by the handler, unless in the ring.
12. Any dog fouling in the ring will receive a white ribbon. Owner should collect all dog waste in plastic bags and place it in the trash.
13. All educational display exhibits must be present at the time of Judging. Educational Exhibits are **NOT** state fair eligible.
14. **NO MOBILE PHONES AND/OR OTHER ELECTRONIC DEVICES ARE ALLOWED IN THE SHOW RING.**
15. 4-H members and spectators will be expected to conduct themselves in a sportsmanlike manner. Those who are unable to do so will be asked to leave.
16. The Morris County Fair Dog Show will follow rules as listed in the published Kansas 4-H Dog Show Rule Book 4H1120, January 2023.

SHOWMANSHIP

-To be judged on alertness, grace and ease, coordination with dog and reaction of dog to handler with straight and even gait and movement of dog. In addition, entries will be judged on fitting of the dog; clean and well brushed, tone and condition of coat, healthy appearance, teeth, toenails, and eyes.

-Pee Wee class is not eligible for State Fair. All members, ages 9-18 years of age, with a blue or purple ribbon can compete in the State 4-H Dog Show. Showmanship is based on 100 points, with 95-100 for Purple; 90-94.5 for Blue; 80-89.5 for Red; and 79.5 & less for White.

Class:

- 3599** Pee Wee Showmanship (7 -8 years old)
- 3600** Junior Showmanship (9-11 years old)
- 3602** Intermediate Showmanship (12-14 years old)
- 3605** Senior Showmanship (15 years old & older)

OBEDIENCE COMPETITION

-All Pre-Novice exercises are "shown on leash". All exercises are the same for Pre-Novice A, B, and C (Heel, figure 8, stand for exam, recall, 1 minute sit, and 3 minutes down).

-Members can enter only one dog per class.

-Pre-Novice classes are not eligible for State Fair.

-All members, ages 9-18 years of age, with a qualifying score of at least 170 points can compete in the State 4-H Dog Show. Once the member scores 170 points or greater with the same dog under two different judges, the member must advance to the next obedience level at the start of the next 4-H year. However, at any time that the leader, parent and member agree that the 4-H member and dog are ready to move to the next level, they may; but once that is done, they cannot regress back to a lower level.

Ribbon Groups: 190-200 for Purple; 170-189.5 for Blue; 150-169.5 for Red; and 149.5 or less for White.

Class:

- 3607** Pre-Novice A (First year handler and first year dog)
- 3608** Pre-Novice B (Second year handler with any dog or first year handler with experienced dog)
- 3609** Pre-Novice C (Experienced handler 3 years or more with any dog)
- 3610** Novice (Experienced handler with any dog. Heel and figure 8 on leash. All other exercises off leash. **(Stand for exam, heel, recall, 1 minute sit, 3 minutes down.)**)
- 3615** Graduate Novice: For those receiving a qualifying score in Novice in previous year. Heel on leash. Heel and figure 8 off leash. Stand for exam off leash. Drop on recall. Three minute sit, handler out of sight. Five minute down, handler out of sight.

AGILITY COMPETITION

-4-Her must exhibit in an Obedience class in order to compete in the Agility Competition.

-Dogs must be at least 6 months old before competing. However, to compete at the Kansas State Fair, the dog must be 12 months.

-All members, ages 9-18 years of age, with a blue or purple ribbon can compete in the State 4-H Dog Show. - Ribbon Groups: 190-200 for Purple; 170-189.5 for Blue; 150-169.5 for Red; and 149.5 or less for White. Must compete off leash to qualify for the State Fair.

-After receiving 2 qualifying scores (purple) from 2 different judges, an agility team must advance to the next level at the start of the next year.

Class:

- 3640** Agility 1- Height of dog at withers is less than 15" (on lead).
- 3641** Agility 1- Height of dog at withers is between 15" to 20" (on lead).
- 3642** Agility 1- Height of dog at withers is over 20" (on lead).
- 3643** Agility 1- All dogs of any height showing off leash
- 3644** Agility 2- All dogs of any height off leash

EDUCATIONAL EXHIBITS

-Educational exhibits are NOT state fair eligible.

- 3645:** Educational Notebook (NO PRE-ENTRY REQUIRED)
- 3646:** Educational Display. Display must be standard tri-fold board & not exceed 3 ft. wide X 4 ft. tall X 3 1/2 inches deep when open and standing. **No Pre-Entry is Required.**
- 3647:** Informational Poster. Must be a flat poster no larger than 22 inches X 28 inches. **No Pre-Entry is Required.**

EDUCATIONAL DISPLAYS MUST BE PRESENT AT TIME OF JUDGING!*

AWARDS: Grand Champion and Reserve Champions will receive rosettes. Class Champions and Class Reserve Champions will receive ribbons.

ENERGY MANAGEMENT

Superintendent: Duane Andres

Through the Electric/Electronics or Small Engines, you will have the opportunity to educate others about what youth have learned through the project or to promote the benefits of participation in those project areas.

Special Rules:

1. Only those who have met the requirements of the electric, small engine or wind energy project are eligible to exhibit in this division.
2. An exhibitor may enter up to three items in this division, but only one article per class. Use the entry card available from your Extension Office to record all requested information. Securely attach it to exhibit.
3. Items that have been in use should be cleaned for exhibit.

4. A sheet of operating instructions must be furnished for any exhibit that is not self-explanatory.
5. Projects (classes 4600, 4601, and 4602) must be operable using only 110 or 120V AC or battery power. If battery power is required, batteries must be furnished.
6. Any projects with a complexity of size or electronics must have (a) instructions for assembly and use and (b) equipment available at the time of judging for actual testing of the exhibit.
7. No hand dipped solder may be used on exhibits.
8. Each exhibit must have a scorecard completed and attached securely. This scorecard is available from your Local Extension Office.

PHASE 1: ELECTRICAL AND ELECTRONICS

Class:

- 4600 AC Electric Projects.** Electric projects with a 110 or 120 V alternating current (AC) power source. Examples include: household wiring demonstrations, small appliance extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.
- 4601 DC Electric Projects.** Electric projects with a battery or direct current power source. This class includes electric kits or original projects or demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring door-bell switches. All DC electric projects must work with batteries supplied by 4-Her. Projects must be constructed such that the judge has access to examine the quality of wiring workmanship.
- 4602 Electronics Projects.** Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include: radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or bread-board techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judge has access to examine the quality of wiring workmanship.
- 4603 Educational Displays and Exhibits.** The purpose of the educational display & exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays & exhibits must be legible from a distance of 4 feet, using a maximum tri-fold size of 3 ft. x 4 ft.

PHASE 2: SMALL ENGINES

All exhibits should involve engines smaller than 20 horsepower for classes 4610-4612. Engine should contain no fuel in tank or carburetor. Displays are limited to 4' wide and 4' deep-both upright and floor displays.

- 4610 Display-** Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; or 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; or 3) a display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted or display. Maximum tri-fold size is 3' x 4'.
- 4611 Maintenance-** Exhibit a display that illustrates either 1) Routine maintenance procedures or 2) Diagnosing and trouble shooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display. The maximum tri-fold size is 3'x4'.
- 4612 Operation-**Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size is 3' x 4'. Engine should contain no fuel in tank or carburetor.

PHASE3: ALTERNATIVE ENGERGY (a form of energy derived from a natural source such as the sun, geothermal, wind, tides or waves).

All exhibits in this division are limited in size to standard, tri-fold, display boards (36"x48") and items may not extend beyond 12" from the back board. All displays must be self standing.

- 4620 Educational Display**— Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.
- 4621 Experiment**— Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions and recommendations for future study.

AWARDS: Grand Champion & Reserve Champion will receive rosettes.

Cindy Jensen	Champion Energy Management Exhibit	Award

ENTOMOLOGY

Superintendent: Duane Andres
Junior Superintendent:

A 4-H member may exhibit in the ENTOMOLOGY COLLECTION, ENTOMOLOGY NOTEBOOK and/ or EDUCATIONAL DISPLAY classes. 4-H members who have been previously exhibited in Notebooks or Educational displays, need to start with the Beginning Phase of Entomology Collections, not the Introductory phase. Resources for exhibiting can be found on the Kansas 4-H Entomology project page.

INSECT COLLECTION RULES

1. All entries should be submitted in an 18 x 24 x 3.5 inch wooden display box with a clear plastic top (such as Plexiglas). Boxes can be handmade or purchased as long as they are of the correct size. Please visit the Kansas 4-H Entomology website listed above for box instructions and plans.
2. 4-Hers may choose to use one of two taxonomies:
 - A. As printed in "Insects in Kansas" book or
 - B. As printed on the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net.
3. Each exhibitor is required to identify each box with two (2) identification labels bearing exhibitor's name, county or district, the collection class the 4-Her is enrolled in and statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
4. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only one adult insect per species can be used in the Collection Boxes and Notebook Classes, unless labeled as a male or female and correctly identified.
5. A completed 4-H Entomology Photo Release Form must be attached to the Entry Card for all exhibits.
6. Arrangement of specimens: Arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged by Order in the box, then Family where required.
7. Two labels will be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation should be on the second label. Collector's name (or host) on the date/locality label is optional.
8. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to the "Kansas 4-H Entomology: Guidelines for Collecting and Exhibiting" resource that is available on the Kansas 4-H Entomology website for full details on out-of-state insects in collections.
9. Only specimens of the class Insecta should be included.
10. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
11. Specimens of soft bodied insects such as aphids, lice, termites etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
12. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect display box size, missing paper work, feet on display boxes, no special project in notebooks, etc.

4900- BEGINNING I ENTOMOLOGY COLLECTION

Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first and then they are moved up a division.

4901- BEGINNING II ENTOMOLOGY COLLECTION

Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first. And then they are moved up a division.

4903- INTERMEDIATE ENTOMOLOGY COLLECTION

Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)

A) "Insects in Kansas" book – Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera OR

B) "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera

On a piece of paper list what you did to improve your collection during the current year. Members can exhibit in this class a maximum of 3 years. A 4-H'er will move up if they receive a purple ribbon at the Kansas State Fair.

4905 - ADVANCED ENTOMOLOGY COLLECTION

Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper, list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4 H membership.

NOTEBOOK RULES

1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. A completed 4-H Entomology Photo Release Form must be attached to the Entry Card for all exhibits.
3. 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory Phase.
4. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor's name, county or district and class that the 4-Her is enrolled in and statement of taxonomy used:
 - A) "Insects in Kansas" book or
 - B) "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net.The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the Title Page.
5. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
6. Date, common name, full county name, and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
7. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
8. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
9. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page and also on the front of the divider page.

10. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
11. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.
12. A special project must be completed each year and included in the notebook. See project guidelines for specifications.
13. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect display box size, missing paper work, feet on display boxes, no special project in notebooks, etc.
14. Refer to the publication "Entomology Collection Notebook Guidelines" on the Kansas 4-H Entomology web page for more detailed rules for exhibiting.

4907- INTRODUCTORY ENTOMOLOGY NOTEBOOK

Display a minimum of 10 and a maximum of 30 insect species representing at least six different orders. Follow the general guidelines listed for Notebooks, including the Special Project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years.

4908 - BEGINNING ENTOMOLOGY NOTEBOOK

Display a minimum of 20 and a maximum of 60 insect species representing at least 7 different orders. Follow the general guidelines listed for all Notebooks, including the Special Project. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

4909 - INTERMEDIATE ENTOMOLOGY NOTEBOOK

Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special Project. In addition, family identification is required for all insects in any two of the following orders: (Only two will be counted for judging)

A) "Insects in Kansas" book – Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or

B) "Insects in Kansas Book: 2016 Revised Taxonomy" which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera.

A 4-H'er may exhibit in this class for a maximum of three years. A 4-H'er may move up if they receive a purple ribbon.

4910- ADVANCED ENTOMOLOGY NOTEBOOK

Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including the Special Project. Follow the general guidelines listed for notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

EDUCATIONAL DISPLAYS

1. Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology Collection or notebook classes above.
2. Follow copyright laws as explained in General Rules.
3. The exhibit may be, but isn't limited to, original works, digital presentations (must provide printed hard-copy for exhibit purposes for duration of the fair), programs, websites, games, apps, display box, notebook, display or poster which you have made.

4. If the exhibit is a wooden display box, it must be 18 x 24 x 3.5 inches with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22"x 28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3'x4' tri-fold display board.
5. Name and county/district must clearly be marked on educational exhibits.
6. A completed 4-H Entomology Photo Release Form must be attached to the Entry Card for all exhibits.
7. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect display box size, missing paper work, feet on display boxes, no special project in notebooks, etc.

MONARCH BUTTERFLY EDUCATIONAL DISPLAY RULES:

Monarch Butterflies were officially put on the Endangered Species List on July 21, 2022. Having the scientific name *Danatus plexippus*, this migratory butterfly is well known for its spectacular annual journey of up to 3,000 miles across the Americas. It is now threatened with extinction due to habitat loss and climate change. 4-Hers can play a critical role in helping to bring habitat back for the Monarch Butterfly. They can help educate the public on ways to establish food sanctuaries for this butterfly species and help bring them back from the threat of extinction.

1. Exhibits should teach the public about the Monarch Butterfly and/or ways to protect and conserve it. The information could show nectar sources for adult butterflies and food sources for caterpillars, Monarch tagging activities, collection of native milkweed and then packaging it to give to others to plant, a group working together to plant a Monarch friendly garden, etc.
2. 4-Hers may create a poster, notebook, standard size tri-fold, diorama, slide show or other visual display that shows information on Monarch Butterflies
3. If a slide show is created, it should be presented on a zip drive along with a printed copy of the presentation.

4902 - BEGINNING EDUCATIONAL EXHIBIT

Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 7-12.

4904 - INTERMEDIATE EDUCATIONAL EXHIBIT

Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14.

4906 - ADVANCED EDUCATIONAL EXHIBIT

Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 or older.

4920 - BEGINNING MONARCH BUTTERFLY EDUCATIONAL DISPLAY CLASS

For 4-H members enrolled in Beginning I or II Entomology

4930 - INTERMEDIATE MONARCH BUTTERFLY EDUCATIONAL DISPLAY CLASS

For 4-H members enrolled in Intermediate Entomology

4940 - ADVANCED MONARCH BUTTERFLY EDUCATIONAL DISPLAY CLASS

For 4-H members enrolled in Advanced Entomology

AWARDS: Grand Champion and Reserve Grand Champion will receive rosettes.

<u>Entomology Sponsors</u>	<u>Placing</u>	<u>Type</u>
Adam's Lumber	Grand Champion Entomology Exhibit	Award

ENVIRONMENTAL SCIENCE

Superintendent: Lorri Kasten
Jr. Superintendent: Jacob Kasten

Special Rules:

1. Read GENERAL RULES.
2. Follow copyright laws, citing all sources of information in a standard notation Sources of information must be cited on the front of your exhibit, including all posters and educational display boards. Limit each poster exhibit to one 22"x 28" poster.
3. Consultation after judging completed if desired.
4. Not State Fair eligible. There is no class that they can be shown under.

5000- Educational Notebook
5001- Educational Poster
5002- Educational Display

AWARDS: Champion and Reserve Champion will receive a rosette.

EXPLORING 4-H

Superintendent: Lorri Kasten
Jr. Superintendent: Jacob Kasten

Special Rules:

1. Read GENERAL RULES.
2. Limit each poster exhibit to one 22"x28" poster.
3. Consultation after judging completed if desired.
4. Not State Fair eligible. There is no class that they can be shown under.

5000- Educational Notebook
5001- Educational Poster
5002- Educational Display

AWARDS: Champion and Reserve Champion will receive a rosette.

FAMILY STUDIES

Superintendent: Lorri Kasten
Jr. Superintendent: Jacob Kasten

Special Rules:

1. Read GENERAL RULES.
2. Limit each poster exhibit to one 22"x28" poster.
3. Consultation after judging completed if desired.
4. Not State Fair eligible. There is no class that they can be shown under.

5000- Educational Notebook
5001- Educational Poster
5002- Educational Display

AWARDS: Champion and Reserve Champion will receive a rosette.

FFA—AG MECHANICS

Superintendent: Taylor Green

Special Rules

1. All entries must have been constructed, repaired in the high school Ag Department by an agricultural education student and a bona fide Kansas FFA member.
2. The exhibitor will furnish a T-rod stake with a movable base only (DO NOT DRIVE STAKE IN THE GROUND) for each project exhibited (only one sign for project.) Display boards will include: a project description; bill of materials, including all purchased items; list of skills and safety features performed; hours worked on project, only value is needed, return per hour is optional with entry card, on one surface only. The display board should be covered with plastic and/or individual sheets laminated. Pictures are encouraged but are limited to 1 8 1/2 x 11 page that would include 3-4 pictures or a collage of photos. Information revealing individual identification will be allowed. Judge will be scoring the projects on merit. A display board consisting of pictures is recommended for Class 5027 and 5028. The maximum size is 4x4 feet. The maximum size of display for classes 5022, 5023, 5024, and 5025 projects is 2 feet by 3 feet. If a display board is not present for each project exhibited, that project will not be judged.
3. "For Sale" signs are not permitted on individual projects, but the bill of material may contain a statement that the project is for sale. (On front side only).
4. Working drawings in Class 5022 are not allowed on display boards & points will be deducted during judging.
5. A chapter may enter one exhibit consisting of four individuals. Only one project from 5025 may be used to complete a Class 5026 exhibit.
6. Class 5027, Repair Projects, will be farm tractors.
7. Class 5027, Repair Projects, may be: field tillage, planting, harvesting, or chemical application equipment; a livestock and/or crops handling equipment.
8. The student responsible for the repair project in Class 5027 and 5028 will be present to appear before the judge and tell, in sequence, the repairs made to the equipment. A time for this presentation will be assigned when the project is unloaded at the fairgrounds.
9. Repair projects having adequate original finish need not be repainted for exhibition.

Class:

- 5000 Large Machinery & Equipment (more than \$2,200 construction cost justified in Bill of Material)
- 5001 Intermediate Machinery & Equipment (\$800 to \$2,200 construction cost justified in Bill of Material)
- 5002 Small Machinery & Equipment (\$100 to \$800 construction cost justified in Bill of Material)
- 5003 Micro project class (under \$100)
- 5004 Team Placing Chapter exhibits in AM2 must come from Class AM1
- 5005 Tractor Repairs
- 5006 Machinery Repair (Projects that have been rebuilt should remain as the original piece of equipment)
- 5007 Tractor Troubleshooting
- 5008 Small Gas Engine 8 hp and below
- 5009 Small Gas Engine 8.1 hp and above

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion will receive rosettes.

FIBER ARTS

Superintendent: Lizzy Buller Adult Assistant: Laura Buller

Special Rules

1. Fiber Arts is defined as any method of creating a unique design with fiber, fabric, or yarn. This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art.) Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. **Non-textile (examples include, wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.**
2. Identification Label:
 - (a) Type or print on 3" x 2 1/2" piece of cloth: class number, county or district, and exhibitor's name. Labels are available in the Extension Office.
 - (b) Sew or safety pin this ID label on the corner of flat article.
 - (c) For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garment. Label each piece.

3. A member may enter FIVE exhibits in each class.
4. When articles, which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
5. Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.
6. The exhibitor should attach an index card, no larger than 3" x 5", with the entry form to give the judge any information on what parts of the exhibit they made, processes used, or other information which the exhibitor thinks would be helpful to the judge. For all items please indicate if item was made from a kit. For all items please indicate fiber content and specifically if they are made of at least 90% wool. For quilted items indicate who did the quilting and binding.
7. Exhibitors are expected to be enrolled in the Fiber Arts project in which they are entered. When the exhibit is a sewed garment that also includes one or more Fiber Arts techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left with the 4-H participant.
8. All exhibits which need to be hung MUST have the appropriate hanger, rod, wire or other mechanism attached in order to be properly displayed. Judges will consider the Exhibitor's age & years in the project.
9. Receiving a purple will qualify the 4-Her for the State Fair.
10. All education exhibits must be present at the time of the judging.

Class:

- 4111 Crochet, an article including felted items (See Rule #7 Above)
- 4112 Knitting, an article including felted items, made by hand or by knitting machine (See Rule #7)
- 4113 Needle Arts, an article created by hand using any of the following techniques:
 - a) Embroidery and cross-stitch
 - b) Needlepoint
 - c) Candle wicking
 - d) Crewel
 - e) Lacework
 - f) Appliqué
- 4114 Patchwork and Quilting, an article. It is acceptable practice for the exhibitor to create the patchwork or quilted article and have someone else quilt it. (See Rule #7)
- 4115 Rug Making, acceptable techniques may include braiding, latch hook, tying, floor cloth, etc. Item should be used in the home.
- 4116 Spinning, a skein, minimum of 10 yards in length.
- 4117 Weaving, a woven article must have card attached describing the type of loom or process used. Woven wood reed baskets should be exhibited in Visual Arts.
- 4118 Ethnic Arts, an article associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or décor. It is also defined as a method that has been maintained throughout history and passed on to others such as batik, a Swedish huck towel weaving, mud cloth, bobbin weaving, tatting etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, short description of the technique, etc.
- 4119 Macramé, an article
- 4120 Educational Notebooks, state fair eligible
- 4121 Miscellaneous Exhibit, NOT state fair eligible

AWARDS: Class Champions & Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion will receive rosettes.

Fiber Arts Sponsors	Placing	Type

FIELD CROPS

Superintendent: Dana Mayer

Special Rules

1. Read GENERAL RULES.
2. Exhibit in this division need not be mature. Efforts should be made, however, to select as mature of an exhibit as possible. Uniformity is important.
3. Labels are required as to variety and class number. If variety is NOT stated, ribbon placing will drop one placing.
4. Exhibitors must provide own container for each exhibit; see specific guidelines for other grains.
5. All classes calling for a gallon sample may have a 2 1/2-3 inch diameter cylinder placed in a glass gallon container to reduce the amount of grain to about three quarts
6. All educational exhibits must be present at the time of the judging.

WHEAT VARIETY PLOT DISPLAYS

The free-standing displays must not exceed the overall dimensions of 36" wide x 36" high x 18" deep (measured on the outside). Care should be taken to select durable materials that will withstand fair conditions. Displays must not require the use of electricity. If booth exceeds overall dimensions, ribbon placing will be dropped one place.

1. These displays will have been planned and prepared by 4-H/FFA members enrolled in the wheat variety plot project.
2. Members must include the varieties provided in the display, but may include more varieties, if desired.
3. All displays will receive a purple, blue, red, or white ribbon. Purple and blue ribbon displays will be considered for additional recognition.

Basis for Awards:

• Educational Value 70 %

Is the main idea of the display specific? Was the title or theme emphasized? Is the idea presented so clearly, so simply, so forcefully, that it will stop the casual observer? If the passerby stopped, did the display give the observer additional facts in a clear, concise way? For example, varieties differences in wheat, economic gains from adoption of desirable practices, etc.

• Quality of Display Material 30%

Size, style and neatness of lettering, proportion of models and lettering balanced, workmanship, including handouts, if used, charts, models and lettering used effectively to teach ideas, colorful, artistic, neat and well balanced.

2430 Wheat Variety Plot Displays

CORN

Class:

- 2400 White, variety or hybrid must be named, shucked. Ten Ear Exhibit
- 2401 Yellow, variety or hybrid must be named, shucked. Ten Ear Exhibit
- 2425 Corn: Exhibit to consist of one-gallon sample. Variety must be named.

SORGHUM

Class:

- 2402 Hybrid grain sorghum. Hybrid must be named. Ten Head Exhibit.
- 2403 Hybrid forage sorghum. Exhibit to consist of the entire plant; roots are optional. Hybrid must be named. (No roots if taken to KSF.) 5" bundle, tied.
- 2404 Other forage sorghums. Exhibit to consist of the entire plant; roots are optional. Variety must be named. (No roots if taken to KSF.) 5" bundle, tied.

WHEAT (1 gallon sample)

Class:

- 2405 Soft Red Winter Wheat. Variety or hybrid must be named.
- 2406 Hard Red Winter Wheat. Variety or hybrid must be named.
- 2407 Hard White Wheat. Variety or hybrid must be named.

SUNFLOWERS

- 2408 Confectionery heads. 3 heads must be submitted.
- 2409 Confectionery seeds in jar. 1 gallon jar must be submitted.
- 2410 Oil seed heads. 3 heads must be submitted.
- 2411 Oil seeds in jar. 1 gallon jar must be submitted.

OTHER CROPS

- 2412 Oats: Exhibit to consist of 1 gallon sample. Variety must be named.
- 2413 Barley: Exhibit to consist of 1 gallon sample. Variety must be named.
- 2414 Alfalfa (seed): Exhibit to consist of 1 gallon sample. Variety must be named.
- 2421 Edible field beans: Exhibit to consist of 1 gallon sample of seed from most recent harvest.
- 2422 Edible field beans: Bundle of 5 plants (with roots intact) from most recent harvest. (Example– Lentils)
- 2423 Miscellaneous Crops: Exhibit to consist of 1 gallon sample of seed or 10 heads produced from current project. Variety must be named.
- 2424 Cotton: Provide 10 open bolls, not 10 plants. Place bolls in a bag that can breathe (not a sealed plastic bag), so mold doesn't develop.
- 2427 Silage: This is NOT a state fair class.

HAY CROPS

- 2415 Alfalfa Hay: Exhibit to consist of 1 flake or slice from a rectangular bale, or a 10 inch section cut from a round bale. The flake or slice should be approximately 6 inches in thickness and tied in 2 directions. Variety must be named.
- 2416 Native Grass Hay: 10 inch flake or slice, 6 inches thick and tied in 2 directions.
- 2417 Brome Grass: Exhibit to consist of 1 gallon sample of seed.
- 2418 Other Tame Grasses: Exhibit to consist of 1 gallon sample of seed.
- 2426 Cool Season Grass Hay (e.g., fescue, etc.): 10 inch flake or slice, 6 inches thick and tied in 2 directions. Variety must be named.

SOYBEANS

- 2419 Soybeans: Exhibit to consist of 1 gallon sample of seed from most recent harvest. Variety must be named.
- 2420 Soybeans: Bundle of 5 plants from most recent harvest. Variety must be named.

WEED CONTROL EXHIBIT

1. Collect, identify, press, mount, and label a minimum of 15 weeds. Try to include their roots, stems, leaves and flowers. Three of the weeds must be noxious weeds preferably found in your home county. A standard 9"x12" scrapbook may be obtained in which to permanently mount your weed specimens. Identify the scrapbook with your name and county on the inside front cover.
 2. Prepare a list of the weeds mounted, showing common name, scientific name, and where it was found. Place the list in a specially identified section of the scrapbook.
 3. Collect and identify weed seeds found in crop seeds. Mount them for display purposes. Place them in a specially identified section of the scrapbook.
 4. Write a story on "How We Control Weeds on Our Farm" if you live on a farm. Other members write "How We Control Weeds at Home". The story should be about 300 words in length. It must show definite methods used to control weeds. Place the story in a specially identified section of the scrapbook.
- 2440 Weed Control Exhibit

Basis for Awards:

Mounted weed collection: number of mounted specimens, completeness of individual mounts, correctness of identification and information, and neatness. Include record sheet of weeds.

- Records 50%
- Weed seed collection and exhibit 30%
- Story 20%

EDUCATIONAL EXHIBITS

- 2428 Educational Notebook
- 2429 Educational Poster
- 2430 Educational Display

AWARDS: Class Champion Crop & Reserve Champion Crop will receive ribbons. Grand Champion Crop & Reserve Grand Champion Crop will receive rosettes.

ALKEGAN	Top Hay Exhibit	Award

FLORICULTURE

Superintendent: Valerie Hiebert

Special Rules

1. Read GENERAL RULES.
2. Limit of TWO entries per class. Each cut flower specimen must be of a different species.
3. Entries may be in decorative or disposable plastic containers (annuals & perennials can be in pop bottles). The Morris County Fairboard is not responsible for the loss or damage to any flower arrangements, vases, or containers.
4. Potted plants are not accepted.
5. Arrangements are limited to one square foot of table space.
6. All floral materials must be grown and/or collected by the exhibitors. Do not use purchased plant materials.
7. All entries must be freestanding, easily moved, and not require any special equipment to display. Hanging entries are not accepted.
8. Classes 5604-5614 are NOT state fair eligible. There is an option in the Horticulture Division to complete a Horticulture Notebook that is State Fair eligible. Exhibitors may enter floriculture-related notebooks within class 2515 in the Horticulture Division.
9. For educational notebooks, posters, and displays, exhibitors should follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.

ALL EDUCATIONAL EXHIBITS MUST BE PRESENT AT THE TIME OF THE JUDGING.**Class:**

- 5600 Annual Garden Flower, cut specimen, single stem
- 5601 Perennial Garden Flower, cut specimen, single stem
- 5602 Flower Arrangement, Fresh Flowers
- 5603 Flower Arrangement, Dried Plant Material, no fabric or plastic materials, must be home grown

NON STATE FAIR CLASSES (no premiums)

- 5604 Houseplants, Foliage or Flowering, furnish saucers with exhibits
- 5605 Fairy or Miniature Garden-A miniature "scene" contained in an open container and featuring miniature or small, slow growing houseplants. The garden needs to have an imaginative theme and miniature accessories, i.e. bench, fence made from tiny twigs, small shell for a bath tub, etc. (This class is not supported at the Kansas State Fair.)
- 5606 Miscellaneous Floriculture - Anything Goes
- 5607 Biggest Sunflower, in diameter, 1 item, no premium will be awarded as there is no state fair class
- 5608 Cactus -no premium will be awarded as there is no state fair class
- 5609 Succulent -no premium will be awarded as there is no state fair class
- 5610 Patriotic Arrangement -no premium will be awarded as there is no state fair class
- 5611 Terrarium- no premium will be awarded as there is no state fair class

<u>Floriculture Sponsors</u>	<u>Placing</u>	<u>Type</u>
Grove Gardens	Grand Champion Floriculture Exhibit	Gift Certificate
Alkegan	Reserve Grand Champion Floriculture Exhibit	Gift Certificate

EDUCATIONAL EXHIBITS

- 5612 Educational Notebook. A State Fair eligible option is class number ** in the horticulture division
- 5613 Educational Poster
- 5614 Educational Display

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion Floriculture exhibits will receive rosettes.

FOODS & NUTRITION

Superintendent: Melinda Small Adult Assistants: Cynthia Schrader

Special Rules

1. No more than **FIVE** non-perishable food entries and **ONE** educational exhibit entry per 4-H member will be accepted. More than one entry may be made in the same class. Preservation items are **NOT** included in the 5 entries for tabulation.
2. Small items such as cookies and rolls should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 breadsticks, 1 loaf of bread, etc. All baked goods should be left whole and uncut.
3. For snack mixes, place 1 cup of mix in food grade plastic bag. Do not use glass containers.
4. Under baked entries will be lowered one or more ribbon placing.
5. **DISPLAYING FOOD GUIDELINES To Follow:**
 - Place product on an aluminum foil covered board or plate (depending on size of the baked good).
 - Place & tape 4-H Food Label (class number & class name, product, and 4-Her's name) on the bottom of plate, cardboard or container.
 - Place in food grade baggie big enough to hold entire baked item and board or plate.
 - Remember to put recipe card in a little baggie and attach to the top of product with the 4-H card underneath & staple to the right-hand lower corner.
6. Alcohol (ex. Wine, beer, and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol will be disqualified.
7. All unfrosted cakes must be exhibited in an upright position with the top crust showing, except for those cakes made with special designs such as bundt cakes. They should be shown with crust side down.
8. Food exhibitors will have the opportunity to auction their projects. See Food Auction Rules at the beginning of the Rules Section of this Fair Book for more information.
9. Each food item will receive a Purple, Blue, Red or White ribbon. A Champion and Reserve Champion exhibit will be selected from each age division to determine Champions. A "points per product" system will be used. In case of a tie, the judge will make the final decision based on the level of difficulty. There will be only one Champion and one Reserve Champion in each age division.
10. Purple ribbons will identify items of State Fair quality.
11. Not more than one food item and one educational exhibit per 4-Her will be eligible for State Fair.
12. Members wishing to visit with the judge are to sign up for a consultation time.
13. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/ filling recipe only. Calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: <https://bookstore.ksre.ksu.edu/pubs/MP3544.pdf>.
14. For food safety purposes, any food with custard and dairy-based fillings and frosting (ex. cream cheese), raw eggs, flavored oils, "canned" bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. bacon), or unbaked exhibit with raw flour (ex. No bake cookies) will be disqualified and not judged. Refer to K-State Research & Extension publication, 4-H888, Judge's Guide for Foods and Nutrition Exhibits and MF3544, Food Safety for Frostings and Fillings for information to help you make informed, safe food exhibit decision.
15. **A parent will be allowed to listen in on the consultation judging. However, they will not be allowed to visit with the judge until ribbons have been placed on all food products exhibited by the 4-Her. Failure to comply with this guideline will result in the product being lowered a ribbon placing.**

Class:

- 4299 Age Group 7-8, Non-perishable food product
4300 Age Group 9-11, Non-perishable food product
4302 Age Group 12-14, Non-perishable food product
4304 Age Group 15-18, Non-perishable food product
4306 Food Gift Package (No alcoholic beverages will be accepted. Must contain at least three different non-perishable food products prepared by the 4-Her in a suitable container no larger than 18x18x18". On the back of the entry form, answer these questions: a) what is the intended use; b) what food safety precautions were taken during and after preparation. This entry will count as a non-perishable food product, not an educational display.
4307 Food Flop - enter your "biggest cooking failure" to be judged. No ribbon or prize money awarded - just fair fun!

EDUCATIONAL EXHIBITS

Exhibits can be on topics such as nutrition, food safety, food preparation, food groups, fitness, etc. The educational exhibit can be a poster, notebook or other display showing and describing something learned, a project activity done, a food-nutrition community service program, etc. Should relate to things done in the project in which the member is enrolled. Copyright rules will apply. Educational Exhibits are State Fair eligible.

Maximum poster size of 22" X 28" or display size of 3 ft. X 4 ft. Will be judged with 60% nutritive information and 40% on poster appearance. Must be able to attach poster to wall for display so do not use items on poster that will not hang. Name and county/district must be clearly marked on all exhibits.

Note: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.

ALL EDUCATIONAL EXHIBITS MUST BE PRESENT AT THE TIME OF THE JUDGING.

Class:

- 4310 Educational Exhibit prepared by 7-8 year olds
4311 Educational Exhibit prepared by 9-11 year olds
4312 Educational Exhibit prepared by 12-14 year olds
4313 Educational Exhibit prepared by 15-18 year olds

FOOD PRESERVATION

Special Rules

1. Read GENERAL RULES.
2. Members may exhibit in each class. However, member can only enter **one exhibit per class**.
3. All exhibits must be preserved in the current club year.
4. Recommended recipes and processing methods must be used and must be adjusted for altitude based on your processing location, or it will be disqualified. Recipes must be from 1995-present. Processing methods that will be disqualified include: open canning, oven canning, and sun canning and using electric multi-cookers. Untested recipes will be disqualified for food safety reasons. Tested recipe resources include: K-State Research and Extension Food Preservation publications; Other University Extension Food Preservation publications; USDA Complete Guide to Home Canning; So Easy to Preserve, 6th Edition, The University of Georgia Cooperative Extension Service; Ball Blue Book Guide to Preserving; Ball Complete Book of Home Preserving; All New Ball Book of Canning and Preserving; Canning mixes (i.e. Mrs. Wage's, Ball); Pectin manufacturers (i.e. Sure-Jell Ball); <http://www.rrc.k-state.edu/preservation/recipes.html>
5. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
6. Exhibits must be sealed in clean, clear standard canning jars with matching brand (ex. use Ball lids on Ball jars) two piece lids. Do not use colored jars. Do not add fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. For food safety reasons, the size of jars used must be no larger than the jar size stated in the recipe. No fancy packs unless recipe states to do so (ex. Pickled asparagus). Jars must be processed when entered. For food safety reasons, the size of jars must not be larger than the jar size stated in the recipe. (ex: Salsa is canned in pint jars only, no quarts.) Note: There are now 12-ounce and 24-ounce canning jars available and may be used. Use pint jar processing recommendations for 12-ounce jars. Use quart jar process recommendations for 24-ounce jars and 28-ounce.
7. Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give: Class Number, Division, Product, Canning Method, Process Time, Pressure (psi), Altitude where Processed, Name and County/District, and Processing Date. Templates to make adhesive labels can be found at: https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf.

8. Each exhibit must have the complete recipe and instructions attached with the entry or it will be disqualified. Recipes must include recipe source, date of publication, and altitude of residence.
9. Dried Foods—One kind of dried food product exhibited in a small canning jar. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 - 1/2 cup, or three or four pieces per exhibit. All meat jerky must be cooked to an internal temperature of 160 degrees F before or after drying. Dried products must include the recipe and preparation steps. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not judged.
10. Purple ribbons will identify items of State Fair quality. Member may take two exhibits to the State Fair, but only one entry per class.

Class:

- 4350 Sweet Spreads (Fruits and/or Vegetables), Syrups
- 4351 Fruits, Juices, Fruit Mixes (Salsas, Pie Fillings, etc.)
- 4352 Low Acid Vegetables (green beans, corn, etc. or vegetable mixtures)
- 4353 Pickles (fruit or vegetable), Fermented Foods and Relishes and Chutney
- 4354 Tomato/Tomato Products, Tomato Juice and Tomato Salsas (Salsa in pints only, no quarts)
- 4355 Canned Meats
- 4356 Dried Foods

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion and Reserve Grand Champion will receive rosettes.

FORESTRY

Superintendent: Duane Andres Junior Superintendents:

Special Rules

1. See GENERAL RULES.
2. Each member may enter up to two exhibits in 4-H Forestry but only one entry per class. Participants can exhibit in a collection phase and one other class, 5104-5109, or they may exhibit in any two non-collection classes, 5104-5109.
3. All leaf exhibits are to be mounted on a 8 1/2" x 11" heavy stock paper and placed in loose leaf binders. (Magnetic, adhesive filler sheets, or sheet protectors for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose. **Maximum tri-fold size is 3'x4'.**
4. Name, club, age, and year in project should be on the front cover or in a prominent location
5. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) the proper common name as listed in the 4-H Bulletin 334, "List of Native Kansas Forest Trees" (<https://www.bookstore.ksre.ksu.edu/pubs/4H334.pdf>), (2) Location (city and/or county) where collected, (3) date (day, month, year) or (month, day, year) collected.
6. Divide specimens into the following two sections: Native Kansas Trees and Non Native Trees. (<https://www.bookstore.ksre.ksu.edu/pubs/4H334.pdf>)
7. New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.
8. Group specimens according to the years collected (ex. "old-previous years" and "new")
9. Variations of varieties do not count as different species or specimens.
10. When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the "old previous" section of the display.
11. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
12. In all leaf collections exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A "leaflet" is incorrect when displayed as the complete leaf for the tree.
13. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.

Knowing Trees as Individuals (Leaf Collections)

5100 Forestry Collection (choose either: A or B)-only those exhibiting at the fair for the first year may enter this class.

- A.** Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B.** Exhibit a minimum of 5 native Kansas trees showing leaf, twig and fruit from each species collected.

5101 Forestry Collection (choose either: A or B)- This class is open to those exhibiting either for the first or second time at the fair.

- A.** Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B.** Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.

5102 Forestry Collection (choose either: A or B)- This class is open to those exhibiting either for the third or fourth time at the fair.

- A.** Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B.** Exhibit a minimum of 15 native trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.

5103 Forestry Collection (choose either A or B)- This class is open to those exhibiting for the fifth time or more at the fair.

- A.** Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B.** Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaf, twig and fruit specimens.

PHASE : How A Tree Grows

- 5104 Notebook**-Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood & age of tree when cut or exhibits an illustration of how a tree grows.

PHASE: Tree Appreciation

- 5105 Notebook:** Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor's selected tree. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.

PHASE: Growing and Protecting Trees

- 5106 Display/Notebook:** Entries requires a display, or project notebook, telling about the project, and pictures before, during and after planting seedlings, a container tree, or a balled and burlapped tree. Maximum trifold size is 3'x 4'.

PHASE: Tree Culture

- 5107 Display/Notebook:** Entry requires a display or project notebook showing your project work and includes pictures of before, during and after wood lot improvement. **Maximum tri-fold size is 3 ft. x 4 ft.**

PHASE: How Forests Serve Us

- 5108** Entry may include collected wood samples (all or partial) and essay. Wood sample display to be mounted on poster board or any stiff material no larger than a 3 ft. x 4 ft. tri-fold. Essay should be displayed in a covered binder.

PHASE: Educational/Creative Exhibit

- 5109** Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3 ft. x 4 ft. Care should be taken to use durable materials that will withstand fair conditions. This is a good class to exhibit an unusual collection.

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion in each division will receive rosettes.

GEOLOGY & LAPIDARY

Superintendent: Duane Andres

Special Rules

1. The exhibit box should be 18"x 24"x 3 1/2". Plexiglass covers are required. Boxes with glass covers WILL NOT be accepted.
2. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly.
3. If a box has a sliding Plexiglass cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used.
4. For Lapidary classes only, the dimensions of the box should be appropriate for the display, but should not exceed 18"x 24"x 3 1/2".
5. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the Plexiglass cover (inside-use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).
6. Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first four geology classes (5200, 5201, 5202 or 5203). Exhibitor may also show in geology class 5204 (special exhibit), 5205 Mineralogy, 5206 Fossils, and in one lapidary class.
7. Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county only) where collected.
8. For the geology classes 5200, 5201, 5202 and 5203, specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the phylum, class and genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must be either italicized or underlined, not both. The words "phylum, class and genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).

**For geology classes 5200, 5201, 5202, 5203, 5305 and 5206, all specimens must be collected by the participant (not purchased) from locations in Kansas, with the exception of the Tri-State Mining Area specimens collected from these three adjacent counties : Ottawa County, OK; Newton and Jasper Counties, MO. Other out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

PHASE 1: GEOLOGY

Class:

- 5200 Geology:** Display at least 15 different rocks, minerals or fossils collected during the current 4-H year. Exhibitor is limited to one exhibit box. Only those exhibiting at the fair for the first time may enter this class.
- 5201 Geology:** Display at least 30 different rocks, minerals or fossils, at least 5 of each. **Fifteen must be collected during the current 4-H year.** Exhibitor is limited to one exhibit box. This class is open to those exhibiting either the first or second time at the fair.

- 5202 **Geology:** Display at least 45 rocks, minerals or fossils, at least 5 of each. **Fifteen must be collected during the current 4-H year.** Exhibit limited to two boxes. This class is open to those exhibiting either the third or fourth time at State Fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
- 5203 **Geology:** Display at least 60 rocks, minerals or fossils, at least 5 of each. **Fifteen must be collected during the current 4-H year.** Exhibit limited to two boxes. This class is open to those exhibiting the fifth time or more at the fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
- 5204 **Geology Educational Exhibit:** Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Digital formats are accepted. Please make arrangements for the judge to view your exhibit & have a hard copy for display. Exhibit limited to 4 feet of table space. **Care should be taken to use durable materials that will withstand fair conditions.** Exhibitor may show in the class regardless of number of times he/she has exhibited at the fair or whether exhibitor has entries in classes 5200, 5201, 5202, or 5203. Exhibitor may also exhibit in lapidary class.
- 5205 **Mineralogy:** Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see rule #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite), if known.
- 5206 **Fossils:** Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.) See rule #8 for additional fossil labeling expectations.

PHASE 2: LAPIDRY

The lapidary will be judged on the following criteria:

Workmanship and Content	60 points
Presentation and Showmanship	30 points
Accuracy of Information	10 points

All lapidary specimens should be labeled with the following information:

- Specimen Name
- Place of origin (country, state, or county; county required for Kansas specimens)
- Purchased or self-collected
- Date lapidary treatment began
- Date lapidary treatment completed (treatment completed after the fair is considered a new year specimen).

- 5300 **Lapidary:** Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the fair for the first time may exhibit in this class.
- 5301 **Lapidary:** Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.
- 5302 **Lapidary:** Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
- 5303 **Lapidary:** Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'er, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

5304 **Lapidary:** Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

**Special lapidary exhibits should be entered in class 5304. Please note that each member is limited to one entry in this class.

AWARDS: Class Champions & Reserve Champions will receive ribbons. Grand Champion & Reserve Grand Champion will receive rosettes.

Special Rules:

1. Read **GENERAL RULES**.
2. Limit each poster exhibit to one 22"x28" poster.
3. Consultation after judging completed if desired.
4. Not State Fair eligible. There is no class that they can be shown under.

5000--Educational Notebook
5001-- Educational Poster
5002-- Educational Display

AWARDS: Champions and Reserve Champions will receive rosettes.

HOME ENVIRONMENT

Superintendent: Cheryl Downes

Special Rules

1. An entry card must be attached to the exhibit with safety pin(s) or tape and string.
2. A summary including plans, explanation of how the items were made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve and attached to exhibit.
3. Projects with missing or insufficient summary will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon.)
4. Exhibits should be of high quality (as compared to quick, simple crafts) suitable for use in the home several months throughout the year. Holiday specific items are discouraged.
5. A purple ribbon indicates eligibility for State Fair participation.

Class:

- 4400** Single Exhibit. An article (furniture, fixtures, interior or exterior, etc.) made or refinished by the 4-H'er for the home. Must include attached summary.
- 4401** Design Board. Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include attached summary.
- 4402** Notebook. Notebooks may include floor plans, swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Additional summary is not required for Notebook exhibits.
- 4403** Group Exhibit. An article made or refinished by the 4-H'er for the home. (Class is not available at the Kansas State Fair.)

* Notebook, poster or displays may include swatches, colors, stories, photographs and project records which detail what was accomplished this year with a given indication of long-term plans.

AWARDS: Class Champions & Class Reserve Champions will receive ribbons. Grand Champion and Reserve Grand Champion will receive rosettes.

HORSE

Superintendent: Janon Johnson
Jr. Superintendent: Mandy Wainright

Horse Show to be held at Diamond L Ranch Arena

Special Rules

1. Read GENERAL RULES. 4-H ID papers must be on file with the extension office by the county deadline.
2. 4-H horse show rules from the new Kansas 4-H Horse Show Rule Book will be followed with the exception of rules stated in the county fair book. This fair book supersedes all other rules.
3. **Pre-Entry for Horse Show is required & must be submitted ONLINE through Fair Entry (www.fairentry.com) by July 7th at MIDNIGHT.**
4. There will ONLY be two (2) calls per class. Gate will be closed after these 2 calls.
5. Age of colts will be computed from January 1 of calendar year born.
6. The top two showmen in the 7-9 and 10-13 age groups will compete to determine the two qualifiers who will compete in the Junior Division of the Round Robin Fitting and Showing Contest.
7. The Champion and Reserve Champion Stock and Non-stock horses and Champion and Reserve Champion Pony will show for Grand Champion and Reserve Grand Champion Halter Horse.
8. Stock type includes, but is not necessarily limited to: Appaloosa, Buckskin, Palomino, Paint and Quarter Horse. These divisions should take into account breed differences in head carriage and animation.
9. Non-stock types include, but are not limited to: American Saddlebred, American Show Horse, Arabian, Morgan, Pinto and Thoroughbred. These divisions will take into account breed differences in head carriage and animation.
10. Entire arena shall be used for all events, with the exception of Western Lead-Line. At the Judge's discretion, partial use of the arena is permitted.
11. The Horse and Rider combination ridden in 4-H classes can NOT the same Horse & Rider combination ridden in the Open Class.
12. A horse may be ridden in both 4-H and Open Class shows by different riders because the shows are run together.
13. Horses can only be shared by IMMEDIATE family (parents/guardian/siblings/grandparents).
14. All educational displays need to be present at time of judging.

Additional Rules for Performance & Timed Events

1. Please notify the announcer of any saddle or clothes change that might cause a delay. If need be, there will be a break provided for saddle and clothing changes between classes.
2. The same horse/rider combination cannot be used in Walk-Trot classes of Horsemanship and Western Pleasure AND the regular Horsemanship and Western Pleasure classes. One (1) horse may be used for walk-trot and one (1) horse for regular.
3. The same horse/rider combination may show in only one western pleasure class.
4. If class entries are considered insufficient to hold a class (less than five entries), show management has the option to combine Western Classes (stock type with non-stock type and/or pony western pleasure). Classes will still be placed separately, but shown simultaneously.
5. For Ranch and Pleasure classes, there must be a different rider/horse combination.

4-H High-Point Performance Rules

1. High-Point Performance Horse Awards will be given in all three age groups.
2. High-Point qualifying classes are: Showmanship, Hunter Under Saddle, Western Pleasure, Western Horsemanship, and Trail. Walk-Trot classes are not eligible.
3. The same horse/rider combination will be used for all point qualifying classes to be considered for the high point award.
4. Points will be awarded according to Ribbon Placing – Purple = 40 points; 1st Blue = 30 2nd Blue = 29 points etc.; 1st Red = 20 points, 2nd Red = 19 points etc.; 1st White = 10 points 2nd White = 9 points etc.
In case of a tie, the tie will be broken by rank in showmanship.

4-H High-Point Timed Events Rules

1. High-Point Timed Events Horse Awards will be given in all three age groups.
2. High-Point qualifying classes are: Pole Bending, Barrel Racing and Flag Race.
3. The same horse/rider combination will be used for all point qualifying classes to be considered for the high point award.
4. Points will be awarded according to class placing – 1st place = 10 points; 2nd place = 9 points; 10th place = 1 point.

5. **In case of a tie, the tie will be broken by fastest average time in all 3 events.**

4-H High-Point Ranch Rules

1. High-Point Ranch Horse Awards will be given in all three age groups.
2. High-Point Ranch qualifying classes are: Showmanship, Reining, Ranch Trail, Ranch Rail, and Ranch Pattern.
3. The same horse/rider combination will be used for all point qualifying classes to be considered for the high point award.
4. Points will be awarded according to Ribbon Placing – Purple = 40 points; 1st Blue = 30, 2nd Blue = 29 points etc.; 1st Red = 20 points, 2nd Red = 19 points etc; 1st White = 10 points, 2nd White = 9 points etc.

In case of a tie, the tie will be broken by rank in showmanship.

HORTICULTURE

Superintendent: Valerie Hiegert

Jr. Superintendent: Parker Stilwell

Special Rules

1. Read GENERAL RULES. All entries must be free-standing, easily moved, and not require any special equipment to display. Hanging entries are not accepted.
2. All horticulture exhibits must be grown by the exhibitor.
3. Secure entry form to disposable plate or container with string or tape. Use a sturdy disposable plate, bowl or container that will support the weight of the produce.
4. Classes 2508-2514, 2516, and 2517 are NOT state fair eligible.
5. **ALL EDUCATIONAL DISPLAYS NEED TO BE PRESENT AT TIME OF JUDGING.**

Horticultural score sheets are available on the Kansas 4-H Website within the State Fair Horticulture section.

Class:

2500 Garden Display

- Each exhibitor in this class will be limited to **four** square feet of space.
- The Garden Display must be exhibited in a tray, basket, or container that can be easily moved by the fair staff.
- Exhibit must consist of **five** different types of fresh vegetables or fruits.
- Canned products & shelled vegetables are not acceptable.
- Only one variety of each type of vegetable or fruit may be exhibited.

The numbers of the five types of vegetables or fruits are as follows:

- **Large: One Each** - Cabbage, Cantaloupe, Eggplant, Large Pumpkin, Squash, Watermelon
- **Medium: Five Each** - Beets, Carrots, Cucumbers, Decorative Gourds, Potatoes, Okra, Onions, Miniature Pumpkins, Peppers, Radishes, Sweet Potatoes, Tomatoes, or similar sized vegetables.
- **Small: Twelve Each** - Green snap beans, Wax Beans, English Peas, or similar sized vegetables.
- **Small Fruits: One-Half pint box** - Strawberries, Blackberries, Raspberries, or similar sized fruits.
- **Tree Fruits: Five Each** - Apples, Pears, Peaches, or similar sized fruits.
- **Grapes: 2 bunches**

Limit of **FOUR** (4) entries per class for classes.

Class:

- 2501 **Small Vegetable Specimen Plate (12) Ex:** green snap beans, yellow wax beans, or other small vegetables.
- 2502 **Medium Vegetable Specimen Plate (5) Ex:** cucumbers, cherry tomatoes, tomatoes, beets, white onions, yellow onions, red onions, bell peppers, other peppers, okra, parsnips, radishes, turnips, sweet potatoes, red potatoes, white or Russet potatoes, carrots, miniature pumpkin, decorative gourds, or other medium vegetables.
- 2503 **Large Vegetable Specimen Plate (1) Ex:** watermelon, summer squash, winter squash, large type pumpkin, eggplant, cabbage, cantaloupe, other large vegetable.
- 2504 **Fresh Culinary Herbs (6) Ex:** parsley, basil, dill, etc. Six stems (or a comparable quantity) of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted.
- 2505 **Small Fruits (one half pint box) Ex:** Strawberries, blackberries, raspberries, or similar sized fruits. If other, please include name of fruit on entry.
- 2506 **Tree Fruits (plate of 5) Ex:** Apples, pears, peaches, or similar sized fruits

- 2507 **Grapes** (plate of 2 bunches)
- 2508 **Biggest Potato Contest** - by weight, 1 item, no premium as there is no state fair class.
- 2509 **Largest Watermelon**- by weight, 1 item, no premium as there is no state fair class.
- 2510 **Largest Onion**-by weight, 1 item, no premium as there is no state fair class.
- 2511 **Largest Tomato**-by weight, 1 item, no premium as there is no state fair class.
- 2512 **Largest Zucchini**-by weight, 1 item, no premium as there is no state fair class.
- 2513 **Most Unusual Vegetable**-1 item, no premium as there is no state fair class.
- 2514 **Gourds**- no premium as there is no state fair class.
- 2515 **Horticulture Notebook.** Entry shall consist of a notebook or 3-ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer's market business, or other horticultural project. 4-Hers are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during, and after completion of the project are particularly helpful. Exhibitor may enter up to, but no more than, 2 different horticulture notebooks. Horticulture notebook scoring is as follows:
- 20%-Organization & General Appearance (neat, includes title page & table of contents, original, creative, etc.)
 - 40%- Narrative (including goals, successes, failures, etc.)
 - 40%-General Content (subject matter, photos, maps, knowledge gained, etc.)
- 2516 **Educational Poster**-not state fair eligible
- 2517 **Educational Display**-not state fair eligible

AWARDS: Champion & Reserve Champion in individual classes will receive rosettes. Grand Champion and Reserve Grand Champion will receive rosettes.

MEAT GOATS

Superintendent: Charles Downes
Jr. Superintendents: Lakoddah Downes

Special Rules

1. Read GENERAL RULES.
2. Exhibitors must be enrolled in the project by May 1 and animals must be owned at that time, with the exception of State Fair nominated meat goats.
3. All market lambs must be tagged and exhibited with official Kansas 4-H ear tags by the county weigh-in date. Ear tag number and ownership must be on file with the County Extension Office.
4. Animals must be free of abscesses and otherwise healthy.
5. Market Goats will be divided into classes by weight. Market does can not be shown in breeding class.
6. Breeds allowing horns by their breed club for breed show may be shown with horns. The superintendent reserves the right to have any animal removed from the fair grounds if it is deemed a hazard to other goats or people.
7. Market goats, if horned must be tipped and rounded to 3/8 of inch. Breeding does do not need to be tipped.
8. Market goats should be sheared to a maximum length of 1 1/2 inch.
9. Intact males will not be allowed in the market classes.
10. All breeds and both sexes will be shown together unless otherwise specified by the judge or superintendent.
11. The Champion and Reserve Champion Showman in age groups 7-9 years & 10-13 years will show against each other to determine the 2 top qualifiers for the Junior Division Round Robin Showmanship Contest.
12. Absolutely no straw will be allowed in the barns.
13. Goats may be braced while showing. Goats must be shown with all four feet on the ground.
14. Animals must be shown with a chain or collar used only to control the animal & may not be used to tense muscles.
15. Minimum weight to be eligible for the sale is 40 lbs.
16. Those interested in the Goat Costume Contest will need to pre-enter by July 7th. The Goat Costume Contest will occur AFTER the Meat Goat Show. There will be a break taken after the show to accommodate for the Costume Show. It is also REQUIRED that the 4-Her have a script explaining the costume and the significance.
17. All educational displays need to be present at time of judging.

Members may choose to complete this project by participating in the talent showcase at the public fashion revue. This is a participation only event, and no premium money will be awarded. **Pre-entry is required through the extension office, not Fair Entry.**

PHOTOGRAPHY

Superintendents: Andrea Powell Jr. Superintendents:

Special Rules

1. See GENERAL RULES.
2. Each exhibitor will be able to display up to a maximum of four (4) photographs in the 4-H Division of the County Fair. All other photos may be shown in the Open Class Category.
3. Photographs entered must be the result of the current year's project work by the 4-H member. Photo images must be taken by the 4-H member (exhibitor).
4. All photographs must be no larger than 8"X 10" and no smaller than 7"X 9", after removing white border from the photo print before mounting.
5. Photographs are to be permanently mounted using photographic adhesive across the narrow (11") dimension of an 11"X 12.5" sheet of white or cream studio mount (board oriented narrow side up). Photos mounted on foam core board will not be displayed.
6. Photos must be mounted with the top edge of the print 1" below the top of the mount. The sides of the print must be equal distance from the two sides of the mount. To protect exhibits from dust and moisture, it is required they be placed in a protective plastic bag. **Do not seal the bag.** Matte boards and bags are available at the Extension Office.
7. No lettering, including dates, is permitted on the front of the mount or on the photo, only the Kansas State Fair Photography ID Form. No underlay or borders are to be used. No contact prints on front of mount.
8. The Kansas State Fair 4-H Photography ID Form (available from your Extension Office and online) must be used and mounted correctly on the bottom front of the matte board. This will be illustrated in a letter from the State 4-H Office to the Local Extension Office and on Kansas4-H.org.
9. On the back of the mount, write the exhibitor's name, photo class, and the Extension Unit. If in a district, please use full district name and add county name.
10. Black/white and color photographs may be exhibited. In each class, black/white exhibits will be judged separately from color exhibits. Black and White classes are for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.
11. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR (High Dynamic Range) photos are to be entered in the standard photo class.

12. Purple ribbons qualify for the State Fair. A 4-Her may only take 1 qualifying photograph UNLESS in project of 8 or more years.
13. Improperly mounted photographs, oversized or undersized photos or photos with the white border not removed or lettering, including dates, on the photos will be awarded a ribbon one lower than the placing by the official judge.
14. A parent will be allowed to listen in on the consultation judging. However, they will not be allowed to visit with the judge until ribbons have been placed on all exhibits. Failure to comply with this guideline will result in the exhibit being lowered a ribbon.
15. Digital Composite Image; Finished Photo must be created from two or more original images photographed by the exhibitor. Photos will be judged on photographic merit as well as manipulation technique and process. HDR photos do not qualify for this class.
16. **Photos with live subject(s) on railroad right-of-away or taken from a railroad right-of-way property will not be displayed in Kansas 4-H Photography and will be disqualified.**
17. Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowed in a 4-H photograph at the Morris County Fair.
18. Copyright protections must be observed.
19. All educational displays need to be present at the time of judging.
20. Educational exhibits are not state fair eligible.

PHOTOGRAPHY-MODIFIED CLASSES

Junior Division (Ages 7-13 as of January 1st current year)

Senior Division (14 yrs. & older as of Jan. 1 current year)

Class:

- 4804** Color Photos taken by a 4-H member with 3 years or less in the project.
4805 Color Photos taken by a 4-H member with 4-7 years in the project.
4806 Color Photos taken by a 4-H member with 8 or more years in the project.
4807 Black and White Photos—all levels of experience (Black and White prints only).
4808 My Favorite 4-H Photography
1. This is a “display only” class.
 2. Eligible members must have enrolled in photography for ten (10) or more years.
 3. Requirements are:
 - A. Choose a total of four (4) of your favorite photos from any of the years enrolled in photography. If used previously in competitive exhibits, remove all data slips and stickers. If the photo is an unmounted print, mount it using standard 4-H requirements and mat board.
 - B. Develop a short biography piece.
 - Tell how/when an interest in photography began.
 - Explain why each of the four photos is a favorite
 - Share the skills learned because of photography. Think beyond camera skills and include leadership, community service, etc.
 - Tell of any mentors/leaders worked with
 - Share workshops or camps pertaining to photography you attended
 - Explain (if relevant) any plans to use photography skills beyond 4-H/High School.
 - Include a small (2x3) photo of yourself at the start of the biography.
 - Print the biography document and mount it on a standard mat board.
 4. Place name and Extension unit on the back of each of the 5 mat boards in the upper right-hand corner.
 5. This exhibit does not have to qualify at the county/district level to exhibit at the Kansas State Fair.
 6. There is no data slip required.

Portfolio Classes

4809 Growth Portfolio

1. Member is eligible for this class beginning with the third year of enrollment in the 4-H photography project.
2. Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment year. A maximum of five (5) photos may be included, if the member has 5 or more years of enrollment. Photos are not required to be in a consecutive order. For example, a nine-year-old with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-olds year, one photo from the eight-year-olds year, and one photo from the nine-year-olds year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example. Years 1,3,5,7 and 9 for a member having project enrollment totaling 9 years.
3. Photos must be 8"x10" and may be color or black and white and must be unmounted.
4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
5. Skill set used to create the photo must be given and explained. Main goal for each year should be listed.
6. Beginning with photo 2, member description of GROWTH in project skill must be included on information sheet.
7. Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed in #6 and #7. A portfolio book will be required.

4810 Career Portfolio

1. Member must have been enrolled in Photography for five (5) or more years OR member must be age 15-19 and been enrolled in photography for two (2) years.
2. Exhibit will consist of ten (10) 8x10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with a computer), Landscape, Photo Journalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years.
3. Photos may be color except if Black and White option is chosen and must be unmounted.
4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
5. A one (1) page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described.
6. Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.

Educational Exhibits:

POULTRY

Superintendent: Diana Newey Jr. Superintendent: Fayth Ehrlich

Special Rules

1. Read GENERAL RULES.
2. Pre-Entry is required by **July 7th by MIDNIGHT** through Fair Entry (www.fairentry.com).
3. Each exhibitor will be responsible for feeding and caring for their own exhibit while at the Fair. Label all feed and supplies with exhibitor's name.

4. Pullorum-Typhoid Status Requirements
 - A) Kansas Origin Poultry -For the 2023 Morris County Fair specifically, you do not currently need to test for PT or provide proof of being from a certified PT clean flock. If situations change before the fair, there may be a requirement to show proof of being P-T clean
 - B) Poultry Originating From Other States – All poultry entering Kansas, except waterfowl, must show proof that they are pullorum typhoid clean by one of the following methods:
 - 1) Originate from a certified U.S. Pullorum-Typhoid clean flock
 - 2) Test negative on a P-T test within 90 days of exhibition
5. Judging of all classes except market poultry will be done on the basis of exhibition and production qualities only. Market poultry will be judged on meat qualities only. Three pullets will be judged for production qualities and development only. Particular emphasis will be given to meat qualities in the turkey class. Disqualification will bar competition. The decision of the judges will be final.
6. For the purpose of this show, “Older” birds are over 12 months of age.
7. Each exhibitor will be limited to three (3) cages provided by the Fair Board. Exhibitors may enter more than three (3) entries but must furnish their own cages.
8. Single bird entry may be housed in a cage together (maximum of 3 birds) provided the health and well being of birds is not compromised.
9. Birds receiving a blue ribbon or higher designate State Fair quality.
10. All educational displays need to be present at time of judging. These are not State Fair eligible.

CHICKENS

Class:

- 3198 Senior Showmanship 14-18 yrs. old
- 3199 Intermediate Showmanship 10–13 yrs. old
- 3200 Junior Showmanship 7-9 yrs. old
- 3201 Standard Breeds- Large Fowl –Young(1 bird of either sex).
- 3202 Standard Breeds- Large Fowl– Old (1 bird of either sex)
- 3203 Standard Breeds- Bantams– Young (1 bird of either sex).
- 3204 Standard Breeds- Bantams– Old (1 bird of either sex).
- 3205 Production Pullets (Pen of 3, Standard bred, Crossbred or Strain Cross pullets to be judged on egg production qualities)
- 3206 Production Hens (Pen of 3, Standard bred, Crossbred or Strain Cross hens to be judged on egg production qualities)
- 3207 Dual Purpose Pullets (Pen of 3) To be judged on egg & meat production
- 3208 Dual Purpose Hens (Pen of 3) To be judged on egg & meat production

OTHER FOWL

Class:

- 3209 Turkeys, all breeds (1 bird of either sex, any age)
- 3210 Ducks, Call or Bantam, all breeds (1 bird of either sex, any age)
- 3211 Geese, all breeds (1 bird of either sex, any age)
- 3212 Pigeons (1 bird of either sex, any age)
- 3213 Other Fowl (1 bird of either sex, any age)

EDUCATIONAL EXHIBITS:

- 3214 Educational Notebook
- 3215 Educational Poster
- 3216 Educational Display

AWARDS: Champion & Reserve Champion in production and single breed classes will receive ribbons.

Grand Champion and Reserve Grand Champion Poultry exhibit will receive rosettes.

RABBITS

Superintendent: Alicsa Mayer Jr. Superintendent: Laramie Mayer

Special Rules

1. Read GENERAL RULES.
2. Pre-entries are due by MIDNIGHT on July 7th using Fair Entry (www.fairentry.com).
3. 4-H members are not limited to the number of rabbits they can exhibit at the show. Meat class counts as only one entry. Not more than two individual rabbits may be entered in one class.
4. Only 4 rabbits can be displayed during the fair. The rabbits will still need to be checked in on Friday from 5 -8 p.m.
5. Any rabbit shown, must be owned and in the possession of the 4-H/FFA member before May 15th of the current year, except meat pens, (which should not be over 70 days old), and pre-junior rabbits which should not be over 70 days old.
6. Meat pens and pre-junior rabbits must come from a 4-H/FFA member's raised litter.
7. Specify breed and variety on pre-entry form.
8. Superintendent may divide classes by breed or type if class size warrants.
9. Each rabbit must be legible & permanently tattooed in its left ear for identification.
10. There will be no cross breed classes.
11. All rabbits will be divided into classes by ages and judged according to their breed standard as listed in the American Rabbit Breeders Association (ARBA) "Standard of Perfection". Only breeds recognized by the ARBA may be shown.
12. Rabbits receiving a blue ribbon or higher designate State Fair quality.
13. Rabbits shown in 4-H cannot be shown in open class and open class cannot be shown in 4-H.
14. Pee Wee Showmanship will be at the discretion of the Rabbit Superintendent.
15. All educational displays need to be present at the time of judging.
16. For educational posters, notebooks, and display boards: follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.

Class:

- 3460 Senior Showmanship 15-18 years old
- 3461 Showmanship 13-14 years old
- 3462 Showmanship 11-12 years old
- 3463 Showmanship 9-10 years old
- 3464 Showmanship 7-8 years old
- 3420 Meat Pen Class (3 rabbits-all one recognized breed & variety, minimum weight 3.5 pounds each, maximum weight 5.5 pounds each, and not over 70 days of age. Will be judged on their meat qualities, condition, uniformity, and fur.)
- 3450 Best Fur Class
- 3406 Pre-Junior Buck (Under 3 months of age)-only ARBA breeds recognized to have this class
- 3407 Pre-Junior Doe (Under 3 months of age) - only ARBA breeds recognized to have this class
- 3404 Junior Buck (Under 6 months of age)
- 3405 Junior Doe (Under 6 months of age)
- 3402 Intermediate Buck-only ARBA breeds recognized to have this class
- 3403 Intermediate Doe-only ARBA breeds recognized to have this class
- 3400 Senior Buck (8 months of age & over for breeds with Intermediate classes; 6 months of age and over for all other breeds.)
- 3401 Senior Doe (8 months of age & over for breeds with Intermediate classes; 6 months of age and over for all other breeds.)

EDUCATIONAL EXHIBITS (Not KSF eligible)

AWARD: Champion and Reserve Champions will receive rosettes.

ROUND ROBIN SHOWMANSHIP CONTEST

Superintendent: Clay Dalquest

1. **Purpose:** Encourage 4-H/FFA members by giving them a practical opportunity to test their ability to show livestock properly.
2. Exhibitors who are grand or reserve champion in horse, beef, swine, sheep, dairy cattle, meat goats or dairy goats are required to participate in the Round Robin Showmanship event.
3. Individuals winning in two showmanship events must notify superintendents as soon as possible which class they will represent so the next in line can be notified. Exhibitor's receiving less than a blue ribbon placing will not be allowed to participate in the Round Robin Showmanship.
4. No individual can show another individual's animal in showmanship except during the round robin contest.
5. The Round Robin will have both a Junior (7-13 years) and Senior (14-18 years) division based on the age as of January 1 of current year.
6. THERE WILL BE NO FITTING OF ROUND ROBIN ANIMALS—They must be clean, clipped and well groomed, but not fit using adhesives, paints or oils.
7. Contestants will be judged on their ability and showing of the animal (including control of animal, poise of exhibitor, continuous attention, keeping the animal placed to advantage, ability to stand, move, lead or drive the animal as requested by the judge). Judges will not ask questions; this is a showmanship contest.
8. Champion and reserve champion of each division (senior and junior), will show the corresponding animal in each species.
9. Only those species, with exhibitors, in the respective age divisions participating during the showmanship portion of the species show will be included in the Round Robin Contest.

AWARDS: Grand Champion and Reserve Grand Champion in the Junior and Senior Division will receive rosettes.

AWARD: Champion and Reserve Champions will receive rosettes.

SHEEP

Superintendent: Lisa Lee Jr. Superintendent: Lakoddah Downes

Special Rules

1. Read GENERAL RULES.
2. All market lambs must be tagged and exhibited with official Kansas 4-H ear tags by the county weigh-in date. Ear tag number and ownership must be on file with the County Extension Office.
3. Exhibitors must be enrolled in the project by May and animals owned at that time, with the exception of State Fair nominated animals.
4. Lambs born before January 1st of current year will not be eligible to compete.
5. Market sheep, if horned must be tipped and rounded to 3/8 inch. Breeding ewes do not need to be tipped or rounded.
6. Absolutely no straw will be allowed in the barns.
7. The Champion and Reserve Champion Showman in age groups 7-9 and 10-13 will show against each other to determine the two top qualifiers for the Junior Round Robin Division Showmanship Contest.
8. Animals in each class may be divided by weight at the discretion of the superintendent.
9. Minimum weight to be eligible for the sale is 90 lbs.
10. Pre-entries are due by **July 7 by MIDNIGHT through Fair Entry (www.fairentry.com)**
11. All educational displays need to be present at time of judging.

SHOWMANSHIP

Class:

- 1000** Senior Showmanship 14 - 18 yrs. old
- 1001** Intermediate Showmanship 10 - 13 yrs. old
- 1002** Junior Showmanship 7 - 9 yrs. old

MARKET LAMBS

Any breed, purebred or crossbred wether or ewe lamb

Class:

- 1003** Purebred/AOB Market Lambs
- 1004** Crossbred Market Lambs

*Note: Classes can be broken at the discretion of the superintendent.

BREEDING EWES

Class:

- 1005** Yearling Ewe Lamb (less than 12 months of age)
- 1006** Senior Ewe Lamb (12 months and older)

EDUCATIONAL EXHIBITS

- 1007** Educational Notebook **Note about these not being State Fair eligible?
- 1008** Educational Poster
- 1009** Educational Display

AWARDS: Class Champion & Class Reserve Champion Market Lambs will receive ribbons. Grand Champion Market Lamb, Reserve Grand Champion Market Lamb, Supreme Breeding Ewe and Reserve Supreme Breeding Ewe will receive rosettes.

SHOOTING SPORTS

Superintendent: **Tim King**
Jr. Superintendents:

The Shooting Sports project teaches gun safety, care and safety of shooting sports equipment, hunting practices, and provides an opportunity to test your skills. The fair classes are designed to provide an opportunity for youth to educate others about what they have learned through the project or to promote the benefits of participation.

Special Rules

1. A member may make only one entry in this division
2. Junior Division is 7-13 years old and Senior Division is 14 years and older.
3. Exhibits in this division are open to educational displays. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select durable materials to withstand county fair conditions. No card table exhibits are allowed.
4. THE EXHIBIT SIZE RULE WILL BE STRICTLY ENFORCED: Exhibits exceeding the size guidelines will be penalized one ribbon color.
5. The Educational Display: must be standard tri-fold board ONLY, must not exceed standard tri-fold 3 ft. wide by 4 ft. tall; no additional table space available for promotional brochures or display items; content not to exceed display board borders. Failure to follow size limitations will penalize entry one ribbon color.
6. Promotional Posters: must be flat and no larger than 22"x30"; content not to exceed display board borders; failure to follow size limitations will penalize entry one ribbon color. Posters will be displayed on wall.
7. Notebooks: no larger than 8.5' x 11'.
8. Name, county or district, age and year in project should be on the front of the poster, display, or notebook.
9. Exhibitors MUST comply with State and Federal Laws
10. No "live" ammunition containing propellant or explosive powders may be used in any display! An inert substitution must be used in lieu of powder and "live" ammunition. The substitution must be clearly described on the back of the poster, display or notebook.
11. Please remember that neither the Morris County Fair Association nor the department of 4-H Youth Development, Kansas State University Research and Extension are liable for the loss or damage of any personal property included as part of your poster, display, or notebook.
12. Exhibits will not be accepted if they are related to reloads.
13. For State Fair, exhibit topics regarding firearm care, handling, and shooting will only be accepted from Extension Units with 4-H Certified Shooting Sports Programs.

Class:

- 6200** Educational Display – Must be directly related to the 4-H Shooting Sports project. ***Display must be the standard tri-fold board and must not exceed 3 ft. wide X 4 ft. tall***
- 6201** Promotional Poster – Must promote 4-H Shooting Sports.
- 6202** Notebook– Contents pertain to some phase, results, story or information about 4-H Shooting Sports.

AWARDS: Class Champions and Reserve Class Champions will receive ribbons. No prize money is given for Shooting Sports.

STEM

Superintendent: Levi Koepsel

Junior Superintendent: Caleb Kirk

ASTRONOMY

1. The 4-H Member must be currently enrolled in the 4-H STEM– Astronomy project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year. For State Fair, counties or districts should select only top blue or purple ribbon Astronomy exhibits which meet State Fair guidelines.
3. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes, which require no construction or painting are not acceptable exhibits.
4. Telescopes are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
5. Each telescope exhibit must include a “4-H Astronomy Exhibit Information Form,” which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of 10” x 13” manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the STEM division dated prior to the current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year. You must also include construction plans (or a photocopy) for the telescope and place it inside the manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelop is needed for these exhibits.
6. See the last section for full details about exhibiting posters, display boards and notebooks.
7. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 1/2 “ x 11” page. A brief caption should accompany each photograph. Place photos in the 10” x 13” manila envelope.
8. The telescope must be properly assembled and painted with a smooth and uniform finish
9. Decals, if used, should be attached smooth and tight.
10. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
11. Exhibitor's name, county or district, age and year(s) in project must be tagged or labeled in a prominent location on the telescope. If a safety violation is noted by the judges, superintendent, or agent/other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.
12. Additionally, exhibitors may create an optional video (not required) about their project showing its operation and the work they have done. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive. Adult guardians must complete the video release included with the exhibit form. A. For the county fair, the video element is not required due to consultation judging being used.

Classes:

5500 Telescope made from kit

5501 Telescope made from original design

COMPUTERS

Computer Systems

The Kansas 4-H STEM Computer Systems portion of the computer project is designed to allow 4-H members to explore how information is moved from one part of the computer to the other; how information is moved between two or more computer systems (networking); how information is stored; or how information is acted on (programming).

1. Any item which IS NOT a notebook, display board, or poster displayed in this class is considered a “computer system” exhibit and MUST follow the rules set forth below.
2. The actual construction of computer hardware (i.e., building a computer, electronic devices with a mother-board-based manipulation) will remain in the Energy Management division.
3. 4-H members must be currently enrolled in the 4-H STEM-Computers project to exhibit in this division.
4. Each exhibitor may enter one exhibit per class. Exhibits must have been completed during the current 4-H year. For State Fair, counties or district should select only top blue or purple ribbon computer exhibits which meet State Fair guidelines.
5. Exhibitor's name, county or district, 4-H age, and years(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
6. See the last section for full details about exhibiting posters, display boards and notebooks.
7. If a safety violation is noted by the judges, superintendent, or agent/other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.

8. All exhibits must be:
 - a. Self-contained on a USB drive (thumb drive, flash drive, jump drive, or other any other name for a small USB storage device; the rules will use “USB drive”). This means that a judge can plug in the USB drive into a computer and be able to run the exhibit as described below
 - b. OR System-On-A-Chip (SOC) (such as Raspberry Pi) or a Micro-Controller (such as an Arduino or Ozobot) AND is a compact (less than 8”X 8”X 8” system, which can be programmed AND requires minimal assembly to operate (e.g. connecting power, display, and keyboard/mouse cables). Referred to as a “chip system” through the rest of the rules.
9. Physical computers such as tablets, smart phones, laptops, or personal computers (PCs) will not be accepted as an exhibit.
10. “Chip systems” may use/include GPIO bread boards or HATs (Hardware Attached On Top) the size of which is not included in the size of the chip system, however the total size of the chip system and GPIO devices may not exceed 24”X24”X24” including any protective enclosures.
11. Any attached GPIO devices are not judged for electrical construction or quality as this division is focused on the operational aspects of the systems that have automated articulated structures (arms, wheels, grippers, etc.) which the exhibitor constructed, some of these systems can also be classified as a STEM robot, and the exhibitor must decide which division to exhibit in as the exhibit may not be entered in the both divisions.
12. For chip systems, all electric components of the system must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for the electrical components.
13. All revisions of all forms previously released for the STEM division either undated or dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year. Use of old forms should result in the loss of one ribbon placing for exhibits.
14. For all computer system entries the following items are required as part of an exhibit packet:
 - A. A manila envelope with the Computer Exhibit Form, which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit.
 - B. A USB drive labeled with the 4-Hers name, county/district, and club; in a way that does not prevent it from being plugged into a computer.
 - C. For exhibits that are entered on USB drives, at least one (1) graphic (picture, screen shot/capture, slide, etc.) of the project must be printed out on an 8.5” X 11” sheet of paper, **placed in a plastic sheet protector**, to allow for proper display and recognition at the Kansas State Fair. Additionally, this graphic should be included on the USB drive and given the name “display graphic.” On the back side of the graphic, the 4-Her’s name, county/district, and club should be listed.
 - D. Instructions to run any part of the exhibit on the USB drive. (There should be at least three (3) items in your manila envelope: USB drive, graphic and instructions).
15. Each exhibit must be accompanied by a “4-H Engineer’s Journal.” The engineer’s journal should be typed. It can either be included electronically on the USB drive (preferred) or printed and placed in the manila envelope.
 - A. The “4-H Engineer’s Journal” should start with a dated entry describing what the 4-H member is trying to accomplish/build.
 - B. The “4-H Engineer’s Journal” should conclude with a dated entry describing what the 4-H member achieved in creating. (The start and end many times will be different. The judges are interested in the journey).
 - C. Additional entries in the “4-H Engineer’s Journal” should be made as progress occurs describing successes and failures; as well as the steps done and any sources of information used, including links
 - D. Pictures can also be included in the “4-H Engineer’s Journal” but should not be more than 50% of the entries.
 - E. The “4-H Engineer’s Journal” should contain at least one graphic.
 - F. The “4-H Engineer’s Journal” must be at least 3 pages in length.
 - G. An example of a “4-H Engineer’s Journal” can be found at www.STEM4KS.com.
 - H. The “4-H Engineer’s Journal” will comprise 50% of the overall exhibit score. Failure to include a “4-H Engineer’s Journal” will result in the exhibit being disqualified.

16. If the exhibit is a program, application, app, web site, or requires any coding, the source code must be included on the USB drive. Failure to include a copy of the “source code” may result in up to one ribbon place deduction.
17. Diagrams or decision trees showing the logical flow of the system must be included on the USB drive for all exhibits.
18. A set of instructions must be provided to run the computer system/application. These instructions should be printed off and included in the exhibit package and a copy should be included on the USB drive.
 - A. FOR COUNTY FAIRS it is recommended that 4-Hers bring a computer that will run their project to the fair for judging as judges typically do not bring computers with them. Operating instructions are still required.
 - B. Instructions should be written as though you were helping a less techy person (like a grandparent) use the USB drive with a computer. An example of instructions can be found at www.STEM4KS.com.
19. While not required for the county fair, for State Fair, each exhibit MUST include a video of the youth following their instructions for operation. For presentations, such as PowerPoint, this should include delivering the presentation. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on the USB drive. These videos may also be considered for inclusion in a running video loop in the STEM area at the state fair after review by judges, superintendent(s), and extension staff. Adult guardians must complete the video release included with the exhibit form. If the release is not completed the video will not be included in the video loop on display in the STEM area at the Kansas State Fair.
20. Each exhibit must accomplish a specific automated task using a computer, chip system, URL, or virtual machine (VM).
21. The STEM judges will have internet access at the county fair. Internet based content may be included in exhibits. Exhibitors should take great care and only go on-line with their guardian’s permission. User names and passwords should not be included in exhibits. If they are required to view the content, a temporary user account and password should be created for judging at the county fair; once judging is complete, the user name and password should be disabled on the account. If a separate user account is not possible, the content should be included as part of the video. **YOU SHOULD NOT SHARE YOUR USER NAME OR PASSWORD WITH OTHERS.**
22. Kansas 4-H STEM has made available Linux Virtual Machines (VMs) that can be downloaded and used to create projects on such as web servers, networking, and many other projects. For more information on how these VMs can be leveraged or to download them visit www.STEM4KS.com. 4-Hers are not required to use the VMs in their projects. They are optional.
23. All licensing should be adhered to for any software used in the exhibit. Failure to do so will result in a reduction of one ribbon placing and may not be considered for best of show.
24. The creation of viruses, malware, malicious applications or code, defamatory language or graphics, bullying, or any material that is “mean,” “dangerous,” or harmful according to the judge’s opinion will result in the exhibit being disqualified.
25. Pictures or still graphics created are not eligible for entry as a project in this division, and should be entered in the appropriate photography division.
26. Judging will be based on a score sheet which can be found at www.STEM4KS.com There are four (4) areas each exhibit will be judged on. They are:
 - A. 4-H Engineers Journal (what I learned to make it work), 50% overall score
 - B. Instructions (how I help others make it work), 25% overall score
 - C. Functionality (does it work), 12% overall score
 - D. Diagrams (and code if applicable) (how I think it works), 13% overall score

Division – Computer Systems

- 5590 Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a 'word document' or a picture drawn in 'Microsoft Paint.')
- 5591 Computer presentation (power point, web page/site, animated graphics such as gifs, etc.)
- 5592 Single computer system (web server, database server, etc.) represented as a virtual machine
- 5593 Networked system consisting of two or more virtual machines
- 5594 Chip System-a small (8"x 8"x 8") programmed physical device that accomplishes a specific task.

ROBOTICS

1. 4-H members must be currently enrolled in the Kansas 4-H STEM-Robotics project to exhibit in this division.
2. Each exhibitor may enter one robot per class. Exhibit must have been constructed and/or completed during the current 4-H year. For State Fair, counties or districts should select only top blue or purple ribbon robot exhibits which meet State Fair guidelines.
3. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited. Each exhibit must include a robot; information packets are not a sufficient exhibit.
4. Robots must have automated articulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in the computer systems division or energy management project. Robots requiring no assembly, just programming, such as Ozobots, are considered computer systems projects as the skill is focused on the programming not on the construction of the robot.
5. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds. If displayed in a case (not required or encouraged for the state fair, but strongly encouraged for county fairs) the outside case dimensions may not be more than 26 inches in height, width, or depth.
6. Materials including but not limited to obstacles, spare batteries, and mats for testing the robot may be placed in a separate container, which is not included in the robots' dimensions. That container may not be larger than 576 cubic inches as measured along the outside of the container. (Examples: 4"X4"X36" or 4"X8"X18" or 6"X6"X16) The container, if used, and/or any large objects (such as mats or obstacles) should be labeled with the exhibitors name(s) and county or district.
7. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
8. Robots may be powered by an electrical, battery, water, air or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to inflict damage and/or harm to individuals, animal life, and/or property.
9. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Robotic arms (hydraulic or electric) are allowed. A remotod is allowed provided more than a single action happens when a single button is pressed on the remote, for example "a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds." Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
10. Each robot must be in working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete its intended task. In the event the robot uses a phone, tablet, or similar device for programming AND control of the robot, a video will be used to evaluate the working condition of the robot.
11. Each exhibitor is required to complete the "4-H STEM Robotics Exhibit Information Form" which is available through your local K-State Research and Extension office or at www.STEM4KS.com This form must be attached to the outside of a 10" x 13" manila envelope. All revisions of all forms previously released for the STEM division either undated or dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year. Use of old forms should result in the loss of one ribbon placing for exhibits.

12. The exhibit must include written instructions for operation (the instructions should be written as if they were to tell a grandparent or elderly person how to operate the robot), construction plans, and one to three pages of project photographs. In addition, a 5 minute video presentation placed on a CD, DVD, USB drive, or similar removable storage device, if applicable. For robots that can be programmed, robot programming information must be included, this information should be placed inside the 10" x 13" manila envelope mentioned above. Robot programming information can be, but not limited to, source code, block diagrams, screen captures of the coding window and other images that show the programming logic used. The exhibitor may enter their electronic project listed under the energy management program if the exhibitor so chooses. No exhibitor will be allowed to set up their robot in person.
13. In the event that the robot uses a device like a phone, iPad, or tablet for programming AND operation, DO NOT include the device (phone, tablet, etc.). The device's safety cannot be insured. Instead, record a video demonstrating the instructions included for your robot. It should show setting up the robot, starting the robot, the robot executing its task, and powering off the robot, just like the instructions are written.
14. While not required for the county fair, for the State Fair, each exhibit MUST include a video of the youth following their instructions for operation. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on the CD, DVD, USB drive or similar device. These videos may also be considered for inclusion in a running video loop in the STEM area at the state fair after review by judges, superintendent(s), and extension staff. Adult guardians must complete the video release included with the exhibit form.
15. Creativity, workmanship, and functionality will be strong criteria in judging the "Robot designed by Exhibitor" classes. All robots should have a purpose or intended function; examples include, but are not limited to: following a line, sweeping the floor, solving a Rubik's cube, sorting colors, or climbing stairs.
16. Exhibitor's name(s) and county or district must be tagged or labeled on the robot such as on the bottom of the robot, exhibit cards are not an acceptable form of labeling
17. For the State Fair, there are no county or district boundaries that must be adhered to in order to form a Kansas 4-H STEM Robotics team. However, as mentioned in #1, each team member must be currently enrolled in the Kansas 4-H STEM project.
18. See the "4-H Stem Educational Exhibits– Posters, Notebooks, and Display Boards" section for full details about exhibiting posters, display boards and notebooks.

Novice Division Ages 7-8

- 5505 Robot made from a commercial (purchased) kit. No programming just assembly.
- 5506 Robot designed and constructed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 5507 Programmable robot made from a commercial (purchased) kit.
- 5519 Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote controlled device
- 5543 Junk Drawer Robotics-based curriculum robot

Intermediate Division: Ages 9-13

- 5509 Robot made from a commercial (purchased) kit. No programming just assembly.
- 5510 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 5511 Programmable robot made from a commercial (purchased) kit.
- 5544 Junk Drawer Robotics
- 5546 Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote controlled device.

Senior Division Ages 14 and Up

- 5513 Robot made from a commercial (purchased) kit. No programming just assembly.
- 5514 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- 5515 Programmable robot made from a commercial (purchased) kit.
- 5545 Junk Drawer Robotics
- 5547 Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote controlled device.

Team Robotics Project

- 5517 Robot designed and constructed by two or more 4-H STEM project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H STEM members. As with many high tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

ROCKETRY

The Kansas 4-H STEM Rocketry program is designed to allow 4-H members to explore aerospace through rockets of various sizes. Kansas 4-H has adopted the National Association of Rocketry's rules, regulations, and safety guidelines

A. Exhibit Information for ALL rocketry categories:

- 1. All revisions of all forms previously released for the STEM division either undated or dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year. Use of old forms will result in the loss of one ribbon placing for exhibits.
- 2. Relevant documents may be obtained from County Extension Offices or from www.STEM4KS.com.
- 3. NAR refers to the National Association of Rocketry and its governing board.
- 4. Tripoli refers to the Tripoli Rocketry Association and governing board.
- 5. All NAR documents, with the exception of the "pink book," referenced herein can be found at <http://www.nar.org>.
- 6. If a fire burn ban is in effect for any county in Kansas, exhibitors in any Kansas County are not required to launch their rocket(s). All requirements for the launching of rockets for the county fair and the documenting of the launching are suspended for the duration of the ban.
- 7. See the last section for full details about exhibiting posters, display boards and notebooks.

B. Exhibit Definitions for ALL rocketry categories:

- 1. As defined by the National Association of Rocketry (NAR), a scale model is "any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle." The intent of scale modeling is, according to the NAR, "to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish, and flight performance." (NAR "Pink Book" 50.1 4-1)
- 2. Adult supervision is defined as being under the direct supervision of someone 18 years of age or older.
- 3. For the purposes of Kansas 4-H STEM a mid-powered rocket is defined as a rocket that uses an 'E', 'F', 'G', or equivalent engine for launch. In addition, rockets also qualify for mid-power if they meet any of the following criteria:
 - A. Is 2 inches or greater in diameter (not including fins) and taller than 3 feet (36 inches including fins) and do not use an engine(s) exceeding 160.01 Newton seconds of total impulse (an 'H' engine equivalent or above).
 - B. The total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds and less than 160.01 Newton-seconds.

4. For the purposes of Kansas 4-H STEM a high-powered rocket is defined as a rocket that meets any of the following criteria:
 - A. Weighs more than 3.3125 pounds (53 ounces or 1500 grams) at the time of launch;
 - B. Uses an 'H' engine or larger to launch
 - C. The total impulse of all engines used in the rocket is greater than 160.01 Newton-seconds of thrust.
 - D. Includes any airframes parts of ductile, metal, though, the use of ductile metal is strongly discouraged.
 - E. Models powered by rocket motors not classified as model rocket motors per NFPA 1122, e.g.:
 - i. Average thrust in excess of 80.01 Newtons
 - i. Contains in excess of 125 grams of propellant and are limited to only H and I motors.
 - ii. Uses a hybrid motor or a motor designed to emit sparks
 5. High power certification is defined as having successfully completed a certification program for high-powered rocketry through the NAR or Tripoli and maintaining that certification. This applies to all membership levels in the NAR or Tripoli. Specifically the "Formal Participation Procedure" for the "Junior HPR Level 1 Participation Program" as outlined by the NAR and the "Tripoli Mentoring Program (TMP)" as outlined by Tripoli..
 6. NAR rules for launching and construction of all rockets are assumed to be used by all 4-H STEM exhibitors and will be considered during judging.
 7. For the purposes of Kansas 4-H STEM, NO rocket may be launched using engines totaling more than an 'I' impulse engine or 640 Newton-seconds of total thrust.
- C. Exhibit Rules for ALL rocketry categories:**
- Purpose:** These rules apply to how rockets are to be displayed at the fair and what those displays should and should not contain. These rules apply to all rockets displayed in the STEM division.
1. 4-H members must be currently enrolled in the 4-H STEM-Rocketry program to exhibit in this division.
 2. For State Fair, counties/districts should select top blue or purple ribbon rocketry exhibits which meet Kansas State Fair guidelines.
 3. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. If two rockets are entered, one rocket must be a "model rocket kit" or the second may be entered into any other applicable class. An exhibitor may not enter two rockets in the same class.
 4. The report that accompanies the rocket must be limited to the 4-H STEM Rocket Exhibit Information Form which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the rocket stand or rocket. The information form should be signed by the exhibitor. This may be downloaded from www.STEM4KS.com. Any rocket exhibit not including this completed envelope will receive an automatic participation ribbon.
 5. Plans (or a photocopy) must be placed inside the envelope.
 - A. This includes original design rockets.
 - B. If a rocket kit has been modified structurally (Which must provide all necessary details to construct an original design rocket), notations need to be given indicating the changes made, either by notations on the Rocket Exhibit Information Form or by placing notes in the plans. Such modifications require the rocket to be swing tested and documented to show a stable flight.

6. One or more photographs of the rocket during construction and at the launch site are required.
 - A. Photographs showing the rocket at the moment of ignition are preferred.
 - B. Photographs must be mounted on one side of 8 1/2" x 11" page(s).
 - C. There must be at least 1 page of photos and no more than 5 pages of photos.
 - D. Include at least one photo showing rocket construction, preferably with the exhibitor included.
 - E. Do not include photos of members catching their rockets as they return to earth. This is an unsafe practice, and we do not recommend or condone this practice.
 - F. Pictures at the launch site are not required in the event of a burn ban.
7. To exhibit in this division:
 - A. The rocket must have been flown, unless a burn ban is an effect.
 - B. Support rods must not extend past the tip of the highest nosecone on the model.
 - C. Support rods must remain in the upright position, 90 degrees to the display base, do not angle. If support rods are not perpendicular to the base, the judge should deduct two ribbon placings.
 - D. No model may be submitted on a launch pad.
8. Launches should not be conducted in winds above 20 mph and will constitute a disqualification of rocket exhibit.
9. All rockets must have a safe method of recovery, e.g., parachute, streamer or tumble recovery. Any rocket without a recovery system will be disqualified.
10. The altitude achieved by the rocket is to be determined using a method other than estimation. Examples of accepted methods include altimeter, computer software, range finders, etc. If additional space is needed to show calculations of how the altitude was achieved, one additional page may be added to the rocketry information pack.
11. Flight damage is to be documented by the participant on either the construction plans, an additional sheet of paper titled "flight damage", or the 4-H STEM Rocket Exhibit Information Form.
12. The judging of flight damage is to be secondary to all other aspects of the model and only then may it even be considered. However under no circumstance may flight damage be grounds for disqualification.
13. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an immediate disqualification.
14. If an engine becomes stuck, jammed, wedged, or in any other way permanently affixed in or to a rocket and cannot be removed from the rocket, the rocket will be subject to immediate disqualification. This is because it is not possible to make a full and immediate assessment of the safety of the rocket when it is being judged and safety is paramount.
15. Engines may not be used as display stands hollowed out or otherwise. This is a significant change from previous rules. Engines used as a display stand will be subject to immediate disqualification.
16. Rocket engines should not be used to join multi-stage rockets together.
 - A. Multi-stage rockets can be displayed without having the stages connected together. In that case the final stage (the one with the nose cone) should be placed on the display stand, and other stages with a loop of string to the display stand.
 - B. The different stages must be included to complete the rocketry exhibit, incomplete exhibits will be deducted at least one ribbon placing.
 - C. Use of any engines to join the stages together will be subject to immediate disqualification.
17. Multi-stage rockets can be flown using just the final stage and be considered fully flown.
18. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon. All information necessary will be given to the NAR and/or TRIPOLI for investigation and possible revocation of membership.

D. Construction Rule for All Rockets

Purpose: These rules apply to how rockets are to be displayed at the fair and what those displays should and should not contain. These rules apply to all rockets displayed in the STEM division.

1. Rockets are to be properly assembled according to the assembly instructions.
2. Beginner kits with prefabricated fin assemblies and pre-finished rockets requiring no painting are not acceptable and will be disqualified.
3. Plastic snap together fins and prefabricated fin assemblies that **do not** require fin alignment are not acceptable, and will be disqualified.
 - A. This rule does not apply to plastic fins that must be manually aligned and do not utilize a fin alignment mechanism, including, but not limited to fin alignment rings or spacing blocks.
 - B. This rule does not apply to fiberglass, Kevlar, extruded foam, composite, or wood fins; especially when used for “through-the-wall” fin attachment techniques that are common in larger rockets.
 - C. In addition, plastic parts for decorative and mechanical purposes (i.e. decorative nozzles and moving landing struts) are not considered fins and can consist of plastic. Decorative nozzles, etc. need to be securely fastened and not pose a safety hazard.
 - D. Fin assemblies that are printed using a 3D printer are excluded from this rule. Thorough detailed instructions on the creation of the fin assemblies must be provided and an additional page of photos may be included to show the creation/printing of fin assemblies.
4. Angles of fins must fall within a plus or minus 2 degree variation using an approved fin alignment guide (such as KSSSTAC10). An official fin guide is available from www.STEM4KS.com.
5. Fins should be rounded or streamlined according to instructions. If the other edges are rounded to reduce drag on all exposed sides, there should be no ribbon deduction, unless instructions indicate to leave flat, or instructions say to round and rounding was not done.
6. Fins and body tubes are to be sealed with sanding sealer and/or primer to eliminate the appearance of body grooves and wood grain.
7. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
8. Engine mounts are to be securely attached to the body tube.
9. Any seams on plastic parts are to be sanded smooth.
10. Body tubes/airframes/engine mounts can be made from suitable materials, including, but not limited to: reinforced paper, cardboard, phenolic resin, specialized polymer resins, fiberglass, Kevlar, or other suitable structural materials. However, foam may not be used for external body or other external rocket parts.
11. The nose cone is to fit snugly but still allow for easy removal.
12. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions, and have decals applied smoothly.
13. Non-standard surfacing (such as textured paint) may be used if directed by the instructions, this includes scratch built rockets.
14. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a “scale model.” All other rockets do not have to follow the suggested paint scheme, allowing the 4-Her to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move a non-scale model from one ribbon placing to another.
15. “Scale models” may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
16. Scale Model Rockets are to be finished and completed with a majority (greater than 70%) of decals.
17. If a modification is made to the rocket, for example, adding a fin, a swing test must be conducted on the rocket and the documentation provided. Failure to test and document flight stability following modifications will result in two ribbon placing deductions.

E. Model Rocketry Specific Guidelines (ages 9 and up):

Purpose: Model rockets are generally small-to-medium sized rockets that can be purchased at hobby stores that an individual(s) builds from parts similar to those found in model rocket kits.

1. Rockets classified as high or mid powered may not be entered in this category.
2. Each rocket must be able to stand freely by itself or be supported by a solid base, not to exceed 4-1/4" (four and one quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the of the base. Rod materials should be sturdy, and not made of flimsy materials such as coat hangers.
3. If the model rocket is greater than 4 feet tall, it can be displayed without a base, or displayed parallel to the ground with up to 3 notched blocks not to exceed 4" in height, width, and depth. The exhibitor's name, county or district, and age must be labeled on the base(s).
4. All exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification in this code, the STEM Action Team may review and implement the modified code.

F. Original Design Specific Rocket Guidelines (ages 11 and up):

Purpose: To allow for youth to develop their own rockets (model, mid, and high powered) in a safe manner that displays maximum craftsmanship.

1. Original design rockets cannot be a modification of a pre-existing kit and must be of original design.
2. Original design rockets must be designed by the exhibitor(s).
3. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.
4. Original design rocket instructions should not include copies of instructions in part or in whole from existing kits.
5. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying. Swing testing of the rocket is required. Other tests and calculations are encouraged. Exhibitors must include documentation of the swing test. Failure to swing test a rocket will result in a deduction of TWO ribbon placings. Must include documentation.
6. A minimum of one additional page must be added to the rocketry information pack detailing the test(s) performed to insure stability. 4-Her's are strongly encouraged to provide as much detail as possible. Failure to provide adequate written documentation will result in a disqualification.

***As defined by the National Association of Rocketry (NAR), a scale model is "any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle." The intent of scale modeling is, according to the NAR, "to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish, and flight performance." (NAR "Pink Book" 50.1 4-1)**

Division JR -Exhibitors 7 through 8 years old

- 5520 a Rocket made from kit without pre-assembled fin units. Include plans.
- 5520 b Rocket made from "beginners kit." Include plans. Rockets in this class may have pre-assembled fin units. (This class is for first and second year 4-H members to explore the rocketry project.)
- 5537a Scale Model Rocket made from kit. Include plans.

Division A– Exhibitors 9-13 years old

- 5520 Rocket made from kit. Include plans.
5537 Scale Model Rocket made from kit; includes plans.

Division B -Exhibitors 11 through 13 years old (9-10 year olds may not enter in this class)

- 5521 Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.
5538 Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Division C -Exhibitors 14 years and older

- 5525 Rocket made from kit. Include plans.
5526 Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.
5527 Rocket designed by exhibitor: that uses alternative skins; not merely a modification of an existing kit. Include original plans.
5539 Scale Model Rocket made from kit. Include plans.
5540 Scale Model Rocket designed by the exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Division D -Exhibitors 11 years and older

This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.

- 5530 Rocket designed by 2 or more exhibitors: not merely a modification of an existing kit. Include original plans.

Mid-power Rocketry (2x'D' to 'G' Engines) Guidelines:

Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H mid-power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high/mid power information form is to be completed and placed inside of the information packet. This may be downloaded from <http://www.kansas4-H.org/>. Click on KSF Packet link.
4. Exhibitors in this division must hold memberships in either NAR or Tripoli organizations.
5. The NAR Model Rocket Safety code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1st of the current year. However in the event that there is a modification in this code the STEM Action Team may review and implement the modified code.
6. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
7. High power rockets as defined above ('H' or 'I' engines) may not be launched in this division.
8. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event, a substitute to a copy of the waiver is the Range Safety Officers (RSO's) contact information.
9. Mid- Power rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division E - Exhibitors 14 years and older

5536 Mid-power rocket made from kit or original design.

High Power Rocketry (H or I Engines) Guidelines:

Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H high power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high power information form is to be completed and placed inside of the information packet. This may be downloaded from www.STEM4KS.com.
4. Exhibitors in this division must hold memberships in either NAR or Tripoli organizations.
5. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification in this code, the STEM Action Team may review and implement the modified code.
6. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
7. For rockets launched using an engine(s) that have 160.1 ('HP' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification, and should include supporting documentation of such (a copy of Level 1 card is sufficient).
8. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event, a substitute to a copy of the waiver is the Range Safety Officers (RSO's) contact information.
9. High Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division F-Exhibitors 14 years and older

5535 High power rocket made from kit or original design.

4-H SPACETECH – UNMANNED AERIAL SYSTEMS

Purpose: The 4-H unmanned aerial systems or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Unmanned Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of unmanned aerial systems including how UASs link to other projects such as geology, robotics, electronics, crop science and many more.

1. The 4-H members must be currently enrolled in the 4-H STEM project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year. For State Fair, counties or districts should select only top blue or purple ribbon exhibits which meet State Fair guidelines.
3. The information that accompanies the UAS must be limited to the 4-H STEM Exhibit Information Form which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the UAS. This may be downloaded from www.STEM4KS.com. Any UAS exhibit not including this completed envelope will receive an automatic participation ribbon. All revisions of forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
4. Exhibitor's name, county or district, age, and years(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
5. Unmanned Aerial Systems that include or depict weaponry of any kind will be disqualified.
6. See the last section for full details about exhibiting posters, display boards and notebooks.

7. If modifications are made to the exhibit, a page should be attached noting those modifications.
8. If a safety violation is noted by the judges, superintendents, or other staff, the exhibitor's exhibit, at the judges' discretion, will received a participation ribbon.

Intermediate Division- 7-13 years old

- 5701** Unmanned Aerial System designed and constructed by exhibitor that is operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- 5702** Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Division B- Senior, 14 years and older

- 5706** Unmanned Aerial Systems designed and constructed by exhibitor that is operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- 5707** Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display poster, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

STEM-ARCHITECTURAL BLOCK CONSTRUCTION

The STEM ABC exhibit area focuses on using architectural blocks (“Legos”) to construct dioramas. This project allows youth to explore architectural design in a 3D space. The intent for this program is to allow youth to explore the construction and gain knowledge through interaction with a common toy. This division is not intended for youth wishing to exhibit constructed kits. Kits and non-diorama displays should not be displayed in this division.

Special Rules:

1. 4-H members must be currently enrolled in the Kansas 4-H STEM – Architectural Block Construction project to exhibit in this division.
2. Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year. For State Fair, counties or districts should select only top blue or purple ribbon ABC exhibits which meet State Fair guidelines.
3. Counties are limited to FOUR exhibits to the state fair to insure sufficient space for all exhibitors
4. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
5. The minimum exhibit dimensions must be at least 6 inches wide and deep.
6. All exhibits should be placed in a sturdy see-through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. It may be desirable to place a cutting board or other hard surface between the lid and base plate of the exhibit to make it sturdy. This is to keep exhibit parts from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure do not count towards the total exhibit dimensions but should not be excessive
7. All components used in construction should be dust free, clean, free of chips, scuffs, or cracks
8. Gaps or cracks should not be visible between assembled blocks unless they fit with the story, for example an earthquake
9. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®
10. Other architectural components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example marbles for small round objects
11. The use of existing “store bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as are using individual bricks to create something different than the architectural component of the set it came from. “Store bought” sets should be considered an arts and crafts entry. The intent of this is to ensure fairness among exhibitors and encourage maximum creativity instead of just following a set of plans.

12. All dioramas should have a story, which is part of the information pack, that describes what is happening in the diorama; this can be as simple (the nursery rhyme “Jack and Jill” for example) or complex as needed to explain to someone looking at the exhibit what is happening
13. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method
14. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. If used, judges should be able to use them and instructions should be provided for operation either in the story or on a separate page.
15. Artistic designs, for example recreating paintings like the “Mona Lisa” or “Stary Nights” and sculptures like “David,” are not permitted as exhibits and one ribbon placing should be deducted, these exhibits should be displayed in Visual Arts.
16. The exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the display. Additionally, the display case should have the exhibitor’s information attached to it as well, as the top part of the case may be separated from the display.
17. Each exhibit must include an Architectural Block Construction information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
18. Each exhibitor is required to complete the “4-H STEM Architectural Block Construction Exhibit Information Form” which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit. . All revisions of forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
19. Each exhibit information packet should include the following items:
 - a. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state. These help in determining where a part might go in case something comes loose.
 - b. If appropriate, include operating instructions for mechanical portions of the diorama
20. Additionally exhibitors are required to create a video about their project discussing their construction experiences and the architectural elements of the diorama (tell the story of what is happening in their exhibit). This allows judges to get a better understanding of the exhibit and allows youth the opportunity to fully explain their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive.

Introductory - Level 1 classes (about 1 - 3 years of experience)

5710 Diorama illustrating at least 2 architectural features beyond floors, ceilings, and walls

Experienced – Level 2 classes (about 4 - 6 years of experience)

5711 Diorama illustrating at least 4 architectural features beyond floors, ceilings, and walls, and includes 1 or more motion elements

Advanced – Level 3 classes (about 7 - 9 years of experience)

5712 Diorama illustrating at least 6 architectural features beyond floors, ceilings, and walls, and includes 2 or more motion elements

Master – Level 4 classes (10 or more years of experience)

5713 Diorama illustrating at least 8 architectural features beyond floors, ceilings, and walls, and includes 3 or more motion elements

4-H STEM EDUCATIONAL EXHIBITS – POSTERS, NOTEBOOKS AND DISPLAY BOARDS

Purpose: To allow 4-Hers to explore STEM outside the bounds of traditional projects for rockets, robotics, astronomy, computers and unmanned aerial systems. All posters, notebooks and display boards are listed in this section and have been removed from the individual sections to save space.

1. The General Exhibit rules for ALL categories apply.
2. Exhibits must have been constructed and/or completed during the current 4- H year.
3. For State Fair, counties/districts should select top blue or purple ribbon Educational Rocketry Exhibits which meet State Fair guidelines.
4. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
5. Exhibits are to have a clear link to the STEM areas of astronomy, computers, rocketry, robotics, or unmanned aerial systems; educational exhibits outside of these STEM areas should be displayed in the other program areas. Just because an educational exhibit relates to the broad concept of STEM does not qualify it to be displayed in the STEM Educational Exhibit area. Exhibits that do not clearly show a clear and direct relationship to the STEM project areas of ag-mechanics, ABC, astronomy, computers, robotics, rocketry, or UAS as previously defined will be disqualified.
6. Exhibits in posters, notebooks and display boards must contain substantial supporting educational materials
7. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet will be available at www.STEM4KS.com. For example, a rocket that may have crashed and/or is highly damaged that may be made into an educational display or poster that tells a great story with many lessons learned.
8. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
9. Educational displays are not to exceed a standard commercial 3'x 4' tri-fold display board. No card board table exhibits will be allowed. Care should be taken to use durable materials that will withstand Kansas State Fair conditions.
10. "Construction Kits" that are part of Educational displays must be contained in cases (tackle boxes, sealable containers, etc.) that may not be larger than 1' X 2' X 2' and must have a latch which securely keeps all components contained in the "Construction Kits". Other components are to adhere to appropriate dimensions as stated elsewhere.
11. Educational Project notebooks must be organized in a 3-ring binder.
12. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.
13. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
14. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the, notebook, and/or "Construction Kit." For education displays and/or posters the exhibitor's name, county, or district, age, and year(s) in project must be tagged or labeled on the back of the exhibit. Exhibit cards are not sufficient as they may be removed or repositioned for display. Failure to label an exhibit may result in one ribbon placing deduction.
15. Exhibits should possess the following qualities (in no particular order):
 - a. A Central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
 - e. Be related to computer systems, robotics, rocketry, astronomy or unmanned aerial systems.
 - f. As well as those characteristics described above.
14. If a safety violation is noted by the judges, superintendent or other staff, the exhibitor's exhibit, at the judges discretion, will receive a participation ribbon.

Astronomy– Intermediate Division, 7-13 years old

- 5731 Junior Astronomy Educational Display
- 5732 Junior Astronomy Educational Notebook
- 5733 Junior Astronomy Educational Poster

Astronomy– Senior Division, 14 years and older

- 5736 Senior Astronomy Educational Display
- 5737 Senior Astronomy Educational Notebook
- 5738 Senior Astronomy Educational Poster

Rocketry Intermediate Division – Exhibitors 7 through 13 years old

- 5741 Rocketry Educational Display
- 5742 Rocketry Notebook
- 5743 Rocketry Poster Board

Rocketry Senior Division – Exhibitors 14 years and older

- 5746 Rocketry Educational Display
- 5747 Rocketry Notebook
- 5748 Rocketry Poster Board

Robotics Intermediate Division – Exhibitors 7-13 years old

- 5756 Robotics Educational Display
- 5757 Robotics Educational Notebook
- 5758 Robotics Educational Poster

Robotics Senior Division –14 years and older

- 5761 Robotics Educational Display
- 5762 Robotics Educational Notebook
- 5763 Robotics Educational Poster

Robotics– Team Robotics Project

- 5766 Team Robotics Educational Display
- 5767 Team Robotics Educational Notebook

SWINE

Superintendents: Taylor Green
Junior Superintendent:

Special Rules

1. Read GENERAL RULES.
2. Pigs should be farrowed after January 1 of current year compete.
3. Exhibitors must be enrolled in the project by May and animals owned at that time, with the exception of State Fair nominated animals.
4. Breeding Gilts cannot be shown in the market division and vice versa.
5. All market hogs must be tagged and exhibited with official Kansas 4-H ear tags by the county weigh-in date. Ear tag numbers and ownership must be on file with the County Extension Office. All "farm" ear tags must be removed prior to, or at check-in at the county fair. If they are not removed prior to that time, the superintendent will remove them for you.
6. Absolutely no straw will be allowed in the barns. Wood chips are recommended. You are responsible for your own bedding.
7. Minimum weight to be eligible for the sale is 230 lbs. Hogs weighing less than the minimum weight will be shown in a lightweight class.
8. Pre-Entries are due by **July 7th, 2023 by MIDNIGHT through Fair Entry (www.fairentry.com)**
9. All educational displays need to be present at time of judging.

Special Rules Swine Showmanship

1. All exhibitors will be assigned an exhibitor number, which is to be worn on the back of your shirt whenever you are in the show ring.
2. The Champion and Reserve Champion Showman in age groups 7-9 yrs. old and 10-13 yrs. old will show against each other to determine the 2 top qualifiers for the Junior Division Round Robin Showmanship Contest.

PHASE A - MARKET HOGS (Barrows or Gilts)

Note: At the discretion of the superintendent, the animals in each class may be divided by weight to make two or more classes.

Class:

- 1000 Senior Showmanship 14 - 18 yrs. old
- 1001 Intermediate Showmanship 10 - 13 yrs. old
- 1002 Junior Showmanship 7 - 9 yrs. old
- 1003 Duroc
- 1004 Hampshire
- 1005 Light All Other Breeds, purebred
- 1006 Dark All Other Breeds, purebred
- 1007 Yorkshire
- 1008 Crossbred
- 1009 Pen of 3 - Market Hogs, any breed, can be multiple owners. All 3 hogs must make weight and must pre-enter.

PHASE B - PUREBRED BREEDING GILT

Class:

- 1010 Purebred /AOB Gilts
- 1011 Crossbred Gilts

EDUCATIONAL EXHIBITS

- 1012 Educational Notebook
- 1013 Educational Poster
- 1014 Educational Display

Awards: Breed Champion & Reserve Champion Market Hogs and Breeding Gilts will receive ribbons. Grand Champion & Reserve Grand Champion Market Hogs and Breeding Gilts will receive rosettes.

VISUAL ARTS

Superintendent: **Shilo King** Jr. Superintendent: **Brittley King**

Special Rules

1. Each exhibitor may exhibit up to five articles in visual arts and three in performing arts.
2. Items must be completed during the current 4-H year.
3. Exhibits must be complete – ready to display and use. All exhibits, which need to be hung, must have a wire or saw tooth hanger attached.
4. Grand and Reserve Champion will be selected in each of the three age divisions.
5. The judges will select one (1) from each category of art to represent Morris County at the State Fair. Exhibitor must be age 9 or older by January 1 of the current year to qualify, and the item must be a purple ribbon entry.
 - ***Fine Arts**– Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal or textiles, framed as picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.
 - ***Clay and Ceramics**– Any original item made of clay; may be fired, or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statuettes, bowls, etc.
 - ***Leather and Jewelry**– Any leather stamping, carving, tooling, lacing or stitching piece or any jewelry piece made from any medium are acceptable exhibits.
 - ***Three-Dimensional**– The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.
 - ***General Crafts**– This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.
6. A special award will be given to the overall composition of the display in each of the three age divisions in visual arts. Composition of display must consist of five items complimenting the same “theme”, and must be displayed in an artistic way that “shows off” the artwork. Space will be restricted to a 2.5 foot by 2.5 foot wide area.
7. Articles exhibited must be an original design created by the exhibitor. See copyright guidelines in the general rules section of the Fair Book.

WILDLIFE

Superintendent: Duane Andres

Jr. Superintendent:

Special Rules

1. See GENERAL RULES.
2. EXHIBITORS MUST COMPLY WITH STATE AND FEDERAL LAWS. It is illegal to possess threatened or endangered wildlife, or the feathers, nests or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
3. Kansas State Research and Extension, 4-H Youth Development and the Morris County Fairboard are not responsible for damage during the exhibition period.
4. Name, county or district, age and year in project should be in a prominent location on the exhibit.
5. State Fair rules will be followed.

JUNIOR DIVISION (Ages 7-13 as of January 1 of the current year)

Class:

- 5000 Notebook - contents pertain to some phase, results, story or information about wildlife project.
- 5001 Promotional Poster –must be related to something learned in wildlife project. ***Flat poster board or foam board no larger than 22" x 28"***
- 5002 Educational Display –must be directly related to the wildlife project. ***Maximum tri-fold size is 3 ft. x 4 ft.***

SENIOR DIVISION (Ages 14 and older as of January 1 of the current year)

Class:

- 5003 Notebook- contents pertain to some phase, results, story or information about wildlife project.
- 5004 Promotional Poster -must be related to something learned in wildlife project. ***Flat poster board or foam board no larger than 22" x 28"***
- 5005 Educational Display –must be directly related to the wildlife project. ***Maximum tri-fold size is 3 ft. x 4 ft.***

TAXIDERMY/TANNING

Class:

- 5006 Taxidermy/Tanning Exhibit. Should include an attachment that shows the work in progress through photos with captions, or a detailed journaling of the process.

WOOD WORKING

Superintendent: Duane Andres

Junior Superintendent:

Special Rules

1. Read GENERAL RULES.
2. No exhibitor may enter more than one article in each class. Designate on the entry card if the article is original or kit-construction.
3. The plan from which it was constructed **must** be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step by step instructions is not a plan.
4. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).
5. The use of materials other than wood should be kept to a minimum.
6. The entry card, plans and all other paperwork should be enclosed in a zip top plastic bag with a hole punched through it and tied or otherwise secured to the project in some manner. Tape is usually not adequate to accomplish this.
7. Refinished/repainted furniture should be exhibited in Home Environment Class 4400-Single Exhibit.
8. Projects made from pre-cut kits are not eligible to go to the State Fair.
9. In judging woodwork articles, consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.
10. Firearms and weapons are not to be entered or displayed.
11. All classes will be divided into Junior (7-13 years old) and Senior (14 years old and older division classes).
12. Judging will be by conference method.

JUNIOR DIVISION (Ages 7-13 as of January 1 of the current year)

Class:

- 5000 Woodworking articles for farm or shop use
5001 Household or Lawn Furniture
5002 Other woodworking articles not included in above classes including any article made from a kit. (Example - bird feeder, bird houses, knife racks, breadboards, doorstops, etc.)

SENIOR DIVISION (Ages 14 and older as of January 1 of the current year)

Class:

- 5003 Woodworking articles for farm or shop use
5004 Household or Lawn Furniture
5005 Other woodworking articles not included in above classes including any article made from a kit. (Example - bird feeder, bird houses, knife racks, breadboards, doorstops, etc.)

EDUCATIONAL EXHIBITS– Not State Fair eligible

- 5006 Educational Notebook
5007 Educational Poster
5008 Educational Display

OTHER

5009

Repurpose with a Purpose: 4-H Member (not state fair eligible)

For that certain item laying around that you keep telling yourself, “I’m going to do something with that someday.” Choose your item, take “before” pictures, and then get busy fixing it up into the item that suits your fancy that now you can use and show off your item. Use your imagination and have fun with it. The Wood Science Judge will evaluate what is the best, most clever, useful, and creative idea that makes use of making “the silk purse out of the sows ear kind of item.”

1st prize will be \$25, 2nd prize \$15, 3rd prize \$5 for both divisions. Prize money will come from the Jessica Marie Andres Memorial fund.

AWARDS: Senior and Junior Class Champions & Reserve Champions will receive ribbons. Grand Champion and Reserve Grand Champion will receive rosettes.

OPEN CLASS RULES

OPEN CLASS DIVISION

Open Class Rules:

1. Ribbons will be awarded to 1st, 2nd, and 3rd place exhibits. Prize money will be awarded for 1st, 2nd, and 3rd place in each class. No check will be written for premium total under \$1.
2. Entries will be limited to one entry per exhibitor per class except the horse division. Pen space and housing is up to the discretion of the Superintendent.
3. The open classes of crops, horticulture, sheep, cattle, hogs, and horses will be open to anyone.
4. All judges' decisions are final.
5. Unsportsmanlike conduct toward the judge either verbal or physical, or any other abusive action, will result in relinquishment of premiums and ribbons and be barred from exhibiting at the Morris County Fair the following year. This rule shall apply to exhibitors and ALL members of exhibitor's family.
6. Abusive treatment of livestock will not be tolerated at the Morris County Fair and may result in the loss of premiums and ribbons and be barred from exhibiting at the Morris County Fair the following year.
7. **PRE-ENTRY IS REQUIRED ON ALL LIVESTOCK.**
8. **HORSE SHOW PRE-ENTRIES ARE NOT REQUIRED BUT ARE ENCOURAGED.**
9. **FOR PRE-ENTRIES, PLEASE SUBMIT ENTRIES USING FAIR ENTRY (WWW.FAIRENTRY.COM). ALL REQUIRED PRE-ENTRIES ARE REQUIRED BY JULY 7TH AT MIDNIGHT.**

FAMILY & CONSUMER SCIENCES

Superintendent: Wanda Timm

Special Rules

1. The open division of FCS is open to anyone.
2. All exhibits must be in place between 7:00 am - 9:00 am Saturday, July 29th.
3. No more than two entries may be entered in any classification by one person and no one entry may be entered in two classifications.
4. The management will use every precaution for safe preservation of all exhibits but will not be responsible for loss or injury.
5. All exhibits must be self-made by the exhibitor and made after September 1st of the previous year.
6. Where there is no competition, entries will be awarded first or second or no prize, according to the merits of the entry and decision of the judges.
7. Prize money will be paid to the 1st, 2nd, and 3rd place exhibits.
8. **Please write on entry card: PEE-WEE (6 yrs. old and under); YOUTH (7 - 12 yrs. Old); JUNIORS (13-17 yrs. Old); or ADULTS (18 yrs. Old and over).**

**Be sure to show your
appreciation to
ALL the sponsors
by sending
THANK YOU's.**

**Without their support,
these awards would not be possible.**

**Sponsor name & mailing information
is listed on bottom of award or trophy.**

4-H Fair Board

If anyone has an interest in attending or becoming a board member for the Morris County Fair Board, please reach out to a fair board member or extension agent!

Meetings are held the 1st Tuesday of each month!

GET
ON
BOARD

CLOVERBUDS

Individuals enrolled in the Cloverbud 4-H program are encouraged to participate in the Morris County Fair. Their projects will earn participation ribbons and will be exhibited in regular 4-H classes. They will be identified as a Cloverbud exhibit and will not be eligible for competitive awards. In order that the Cloverbud program remain a non-competitive environment, individuals enrolled in this program will not be allowed to participate in any of the livestock shows, premium livestock sale, fashion review or foods auction at the fair. Subject to a parent or guardian approval, individuals are encouraged to participate in the Peewee Swine and Sheep Showmanship as a learning experience.

****2022-2023 Leaders: Steffany Spear & Aleece Priest****

Fair Book Contest: (4-H Exhibitors ONLY)

Anyone who finds errors while reading the 2023 Fair Book, please find Laci Thibodeaux (fair secretary), Shandi Andres (extension agent), or Abby Gettinger (extension agent) to verify the error to be entered in to a contest for the most errors found. The 4-Her with the most verified and valid errors will receive a \$25 cash award. Findings must be presented to the secretary or extension agents during the fair between July 28th-31st. Errors need to be written on paper or a copy of the fair book page with errors will work. Bringing the fair book to us and showing us errors without proper preparation will not be accepted. The winner will be announced July 31st at the Livestock Auction. No findings will be accepted before or after those dates. Happy reading!
